Battery Blitz

June 12, 2014

11 am to 2 pm
SN1104 (loading bay)

Thank you for participating in the Memorial University Battery Blitz. In order to help the Sustainability Office collect data required to develop battery management strategies on campus, please fill in the following form, providing as much detail as possible.

Name: _____ **Date:** _____

E-mail: _____ **Phone:**_____

Department, Faculty, School: _____

BATTERY TYPE (Alkaline, lithium, etc.)	**BATTERY SIZE** (AA, AAA, 9 volt, etc.)	**NUMBER OF BATTERIES**

NOTE

To participate in this battery collection event:

- Separate all batteries by type and size and **TAPE THE TERMINALS OF ALL BATTERIES.**
- Bring this completed form and batteries to the Science building square at the loading bay (SN1104) between 11 am and 2 pm on Thursday, June 12, 2014.
- No batteries are to be dropped off and left unattended.
- If you have large batteries or large amounts of batteries, please contact sustain@mun.ca to arrange for a pick up date.
