

The following tables suggest possible timetables for completing the requirements of the joint Memorial-Acadia dietetics program.

(A) For students who must complete Math 1090 in the first semester

FIRST YEAR	
FALL	WINTER
English 1080	English 1110 (or equivalent)
Mathematics 1090	Mathematics 1000
Chemistry 1010	Chemistry 1011
Biology 1001	NUTR 2323 through Open Acadia
Psychology 1000	Psychology 1001

SECOND YEAR	
FALL	WINTER
Chemistry 2440	Pharmacy 2004 (or Biochemistry 2101)
Pharmacy 2002	Pharmacy 2003
Statistics 2500	Statistics 2501
NUTR 1313 through Open Acadia	NUTR1323 through Open Acadia
ARTS elective	ARTS elective

(B) For students who are eligible to take Math 1000 in their first semester

FIRST YEAR	
FALL	WINTER
English 1080	English 1110 (or equivalent)
Math 1000	Statistics 2500
Chemistry 1010	Chemistry 1011
Biology 1001	NUTR 2323 through Acadia Online
Psychology 1000	Psychology 1001

SECOND YEAR	
FALL	WINTER
Chemistry 2440	Pharmacy 2004 (or Biochemistry 2101)
Pharmacy 2002	Pharmacy 2003
Statistics 2501	Elective
NUTR 1313 through Acadia Online	NUTR 1323 through Acadia Online
ARTS elective	ARTS elective

Once at Acadia, Memorial students will follow the following program:

THIRD YEAR	
FALL	WINTER
BIOL 2053 ● Microbial Biodiversity	Elective
NUTR 1333 ● Food Commodities I	NUTR 1343 ● Food Commodities II
NUTR 3553 ● Professional Practice in Dietetics	NUTR 3513 ● Community Nutrition
NUTR 3723 ● Principles of Nutritional Assessment	NUTR 3713 ● Introduction to Communication
NUTR 4743 ● Introduction to Nutrition & Health Research	NUTR 4523 ● Advanced Human Nutrition

FOURTH YEAR	
FALL	WINTER
NUTR 4013 ● Management in Dietetics I	NUTR 4023 ● Management in Dietetics II
NUTR 4533 ● Nutrition and Disease I	NUTR 4553 ● Nutrition and Disease II
NUTR 4223 ● Sensory Evaluation of Food	NUTR 4903 ● Senior Seminar
NUTR 3543 ● Nutrition Education	Elective
Elective	Elective

NOTES:

1. In the fall semester, Statistics 2501 is offered on campus. In the Winter semester, Statistics 2501 is offered by distance education only.
2. While students are strongly encouraged to complete NUTR2323 in the first year, they can substitute an Arts elective for NUTR 2323 in the first year but must then complete NUTR 2323 in the second year.
3. All Open Acadia courses must be completed prior to starting courses at Acadia.
- 4.

The following are acceptable as Arts electives: Art classics, Comparative Religion, Economics, English, Environment and Sustainability Studies, French, German, Greek, History, Latin, Music, Philosophy, Political Science, Sociology, Spanish, Theatre Studies.

The following are NOT ACCEPTABLE as Arts electives: Computer Science, Mathematics, Psychology.
--

Courses in subject areas offered Faculties of Arts at Memorial University's campuses other than those listed above may be acceptable as Arts electives. It is recommended that students check on subject area eligibility in these cases.

Please note that changes in the Acadia timetables each year may mean the courses cannot be taken in this sequence.
