MEMORIAL UNIVERSITY

HEAD, DEPARTMENT OF BIOLOGY

CALL OF APPLICATIONS

Memorial University invites applications from or nominations of current Academic Staff Members from within the University for the position of Head, Department of Biology. The appointment is expected to begin September 1, 2018 (or upon filling the position), is initially for a term of three years, and is renewable.

Candidates should ideally have a strong record of research, teaching and administration in a relevant biological field, and possess good interpersonal, organizational, and leadership skills.

Applications and nominations will be treated in confidence. Nominations should include a letter from the nominee agreeing to the nomination. Applications and nominations should include a vision statement for how the Department might evolve under the candidate’s leadership, a brief description of research interests/accomplishments and teaching philosophy, a CV, and names plus contact information of three referees. All materials must be submitted by 5:00 PM on February 12, 2018 to:

Dr. Craig Purchase, Chair
Search Committee for the Head of Biology
c/o Gail Kenny, Office of the Dean of Science
Chemistry/Physics Building
Memorial University
