Department of Biology  
Memorial University of Newfoundland  
TEACHING TERM APPOINTMENTS  
Fall 2018/Winter 2019

Subject to budgetary restrictions, the Department of Biology will be offering teaching term appointments in the Fall 2018 and Winter 2019 semesters to teach first year and senior level Biology courses; Biology 1001 (Principles of Biology), Biology 1002 (Principles of Biology), Biology 2040 (Modern Biology and Human Society I), Biology 2041 (Modern Biology and Human Society II), Biology 2120 (Biology for Earth Sciences), Biology 3050 (Introductory to Microbiology), Biology 3053 (Microbiology for Nurses), Biology 3202 (Comparative Vertebrate Anatomy), Biology 3710 (Biological Oceanography).

Appointments will be made on a one or two semester basis and will not entail any obligation to conduct research, or perform any administrative service for Memorial University. Applicants should have a Ph.D. or equivalent. Applicants should submit a curriculum vitae to:

Dr. Paul Marino  
Head, Department of Biology  
Memorial University of Newfoundland  
St. John’s, Newfoundland, CANADA  
A1B 3X9  
Email: chussey@mun.ca

The closing date for receipt of applications is 5:00 p.m. on June 22, 2018. Memorial University of Newfoundland is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities. All qualified candidates are encouraged to apply, however, Canadian citizens and permanent residents will be given priority.
