Daytime parking draw – how to enter:

The daytime parking draw is found under the student tab of my.mun.ca:

Students must locate the parking draw window, and click “open form”

The following form will appear. Students must then select the correct session (term) then click view.

Students must select all areas they wish to apply for, by checking the box located on the right of the area. The blue up and down arrows can then be used to rank the parking lot preference. The selections must then be saved.
