The Department of Chemistry invites applications from individuals interested in teaching the following undergraduate chemistry course in the Winter 2018 semester. This is a ½ per course appointment to cover the second half of the course including exam grading and submission of marks with the other instructor. Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course curriculum, design, and evaluation methods for all courses will be in accordance with the Department of Chemistry policies and the Memorial University Calendar.

**Course Title:** Introductory Chemistry I - Chemistry 1010  
**Course Schedule:** Lectures: MTWR 1:00-1:50 pm  
**Academic Term:** Second half of the Winter 2018 semester  
**Start Date:** Jan. 4, 2018 (Lectures begin), roughly February 15, 2018 for this appointment.  
**End Date:** April 20, 2018 (last day of exams)  
**Campus Location:** St. John’s, NL  
**Course Description:** CHEM 1010 examines descriptive chemistry; measurements; atoms; molecules; the mole; mole calculations and reaction stoichiometry; the balancing of redox reactions; gases; thermochemistry; introduction to chemical kinetics and equilibrium; acids and bases. A detailed curriculum is available on request. *Interest in using learning technologies in the classroom will be considered an asset.* For further information regarding this course please visit [http://www.mun.ca/chem/](http://www.mun.ca/chem/)

**Qualifications:** A minimum MSc in chemistry or a related area, and/or previous experience in teaching first year Chemistry courses are required.

Salary is as per the MUN-LUMUN Collective Agreement. This is a ½ per course appointment.

To apply for this position:  
Please submit a letter of application, curriculum vitae, and the names of referees, electronically to:  
Dr. Travis Fridgen, Head, Department of Chemistry  
Memorial University of Newfoundland  
St. John’s NL, A1B 3X7  
E-mail chemhead@mun.ca.  
**Please submit all applications and curriculum vitae electronically.**

The deadline date for submission of applications is November 17, 2017.

---

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University of Newfoundland is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people.
