The Department of Computer Science invites applications from individuals interested in teaching Computer Science 3716 in the Fall 2012 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with Computer Science policies and regulations and the Memorial University Calendar.

Course Title: COMP-3716

Course Schedule: Monday, Wednesday, Friday 9:00-10:00 a.m. (Slot 2)

Campus Location: St. John’s

Course Description: COMP 3716. Software Methodology studies the development of software by gathering the requirements of the software program, analysing the requirements to create a development model, and creating the software and documents for the software product. This course studies techniques for all three software development activities.

For further information regarding the Computer Science undergraduate program, including this course, refer to the Current Undergraduate Handbook at www.mun.ca/computerscience/ugrad

Qualifications: Knowledge of software development methodologies, development tools, UML, Object-Oriented analysis, design patterns, and IDEs. Software development experience in the JAVA programming language. Prior teaching experience would be an asset. Applicants should have a Master’s degree in Computer Science or closely related discipline, or equivalent combination of education and experience.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:

Dr. Edward Brown
Head
Department of Computer Science
Tel: (709) 864-8652    Fax: (709) 864-2009
Memorial University
St. John’s, NL, A1B 3X8
Email: cs-chair@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: July 13, 2012

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University of Newfoundland is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities.
