O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

*God keep our land glorious and free!*
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

*Et ta valeur, de foi trempée*
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvern voices tune thy rills,
   We love thee smiling land.
   We love thee, we love thee,
   We love thee, smiling land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayers we raise to Heaven above:
   God guard thee, Newfoundland!
   God guard thee, God guard thee,
   God guard thee, Newfoundland.

LLOYD NORMAN AXWORTHY

Best known for his role in the international treaty to prohibit the use of land mines and as a federal cabinet minister, Lloyd Axworthy is a man who has had a long and effective role in the promotion of human rights.

Born in North Battleford, SK, Dr. Axworthy graduated in 1961 with a BA from United College (now the University of Winnipeg), and received graduate degrees from Princeton.

He began his professional career as an academic at the University of Winnipeg, but was drawn to the political process by the example of Lester B. Pearson. He entered the Manitoba legislature in 1973 and federal politics six years later.

In the Liberal Party governments of Pierre Trudeau and Jean Chrétien, Dr. Axworthy held several cabinet posts, including Foreign Affairs from 1996 to 2000. As minister he hosted the 1996 international meeting to discuss the ban on land mines and challenged the delegates to return the following year for a treaty signing. For that, he received a nomination for the Nobel Peace Prize.

Since leaving public life in the fall of 2000, Dr. Axworthy has been the recipient of several prestigious awards and honours. Princeton University awarded him the Madison Medal for his record of outstanding public service, he received the CARE International Humanitarian Award. Dr. Axworthy has been named to the Order of Manitoba and to the Order of Canada and holds 12 honorary doctorates.

Dr. Axworthy is currently president and vice-chancellor of the University of Winnipeg.

For his lifelong commitment to the betterment of the world, Dr. Axworthy will receive an honorary doctor of laws degree.

ANITA MAUD BEST

Anita Best has spent a lifetime exploring, cataloguing and celebrating the rural Newfoundland lifestyle and culture. In the process she has become one of the province’s most prominent traditional singers.

Born on Merasheen Island in Placentia Bay, Ms. Best has worked as an educator, archivist, folklorist, broadcaster and singer. A particular interest in oral history – songs and stories passed down through generations – led to her performing career. She has toured extensively as a storyteller and singer, made numerous television and radio appearances and added her voice to several Newfoundland recordings.

She is best known for two albums: The Colour Of Amber, a collaboration with Pamela Morgan, was released in 1993. And Crosshanded, a collection of 12 songs for solo voice, followed a few years later. In these recordings and in her performances, Ms. Best tends to forego the standard Newfoundland repertoire in favour of the lesser known songs and stories collected from around the province.

Ms. Best is also the co-author of the folk song collection Come And I Will Sing You. She has worked with numerous folk arts councils and heritage groups, organizing concerts and other folklore events. She has received several awards and honours for her contributions to heritage preservation and the cultural life of the province.

She has studied folklore at Memorial University and now works from St. John’s as a university lecturer, ballad singer, storyteller, and a heritage consultant, with a specialty in cultural policy.

For her contribution to the preservation of Newfoundland culture through her collecting and performing of traditional music, Ms. Best will be awarded an honorary doctor of letters degree.
RICHARD J. GWYN

Richard Gwyn is an award-winning author and political columnist. He was born in England in 1934, educated at the Royal Military College, Sandhurst, and emigrated to Canada in 1955. His 1995 book, Nationalism Without Walls: The Unbearable Lightness of Being Canadian, was selected by the magazine, The Literary Review of Canada, as one of the 100 most important books published in Canada.

His contributions to this province include the annual Winterset Prize for the best book of the year by a Newfoundland and Labrador writer, set up to commemorate his late wife Sandra Fraser Gwyn, who was a keen advocate of the arts of Newfoundland, and the highly successful annual Winterset in Summer Literary Festival at Eastport.

His most recent work, John A, The Man Who Made Us; The Life and Times of Sir John A. Macdonald, Vol. One, 1815-1867, won the Charles Taylor Prize for Literary Non-Fiction for 2007 and was short-listed for the Shaughnessy-Cohen Prize for Political Writing.

Dr. Gwyn is an Officer of the Order of Canada. He is the recipient of five honorary degrees and is a former chancellor of St. Jerome’s University at the University of Waterloo.

For his contributions to the fostering of writing in Newfoundland and Labrador, Richard Gwyn will be awarded an honorary doctor of letters degree.

The jury for the Siminovitch Prize described her work as “startlingly original and radically imaginative,” and her as a “visionary, innovative artist whose experiments with form and content have magical results for audiences and performers alike.”

Aside from a lengthy list of productions with Artistic Fraud, Ms. Keiley has also directed Jack Five Oh for Sheila’s Brush, and Tempting Providence for Theatre Newfoundland Labrador (TNL).

ROBERT PATRICK BARTEN PAINE

Dr. Robert Paine was born in Portsmouth, U.K. and earned a BA, MA and D.Phil. from Oxford. He began his academic career doing fieldwork among the Northern Scandinavian Saami people.

Dr. Paine came to Memorial to lead the Department of Sociology and Anthropology in 1965 and soon after received a major grant from the Canada Council, at the time the largest research grant in the arts at Memorial.

He was also responsible for developing the publishing arm of the Institute of Social and Economic Research (ISER) and brought Memorial’s scholarship to the public arena, especially in the case of resettlement.

ISER and ISER Books played a critical role in developing the idea of the North Atlantic as a research area. By supporting and publishing international research on key issues – notably the fisheries and offshore development, community studies and social problems, and aboriginal studies – ISER helped put social science in and of Newfoundland and Labrador into a transatlantic framework.

Dr. Paine’s other research topics have focused on Newfoundland political rhetoric, Jews in the West Bank, and Saami ethnopolitics. He has been a visiting professor at various Canadian universities as well as at Uppsala University, the Hebrew University of Jerusalem, University of Adelaide, and Tromsø University, Norway.

Dr. Paine is also Fellow of the Royal Society of Canada and was named to the Order of Canada in 1996.

CELEBRATING THE 100TH REGULAR SESSION OF CONVOCATION

Spring Convocation 2009 marks a special milestone in Memorial University's convocation tradition. The first regular session of convocation – a gathering of the university community usually held for the conferring of degrees – took place in 190, and apart from a few special convocations held to celebrate extraordinary events over the years, today's convocation is the 100th regular session.

To commemorate this milestone, two special projects were commissioned.

- Shane O'Dea, public orator and professor of English, compiled a selection of orations -- the special introductions used to present our distinguished honorary graduands. The book features the writings of an impressive cadre of university orators who have performed this unique role since Memorial conferred the first honorary degree in 1960.

- A suite of ceremonial music was created especially for convocation. Renowned composer and retired classics professor, Michael Parker, was selected through a competitive process to undertake the commission. Evocative of the music of Newfoundland and Labrador, the suite for organ/piano and brass premieres at this convocation.

MICHAEL PARKER
COMPOSER

Michael Parker was born in Toronto. He studied violin and viola at the Royal Conservatory of Music in Toronto, in Banff and at Michigan State University. From 1972-76 he was founding member, performer and executive secretary with the contemporary music group, ARRAY (now ARAYMUSIC) in Toronto.

Parker graduated in 1972 with a masters degree in classical studies from the University of Toronto and completed his Ph.D. from McMaster University in 1991. In 1976 Dr. Parker moved to Newfoundland where he served as principal violist with the Newfoundland Symphony from 1976-77. In 1977 he was appointed to the faculty of Sir Wilfred Grenfell College, Memorial University of Newfoundland's campus in Corner Brook, where he was professor of classics and historical studies. In September 2007, he retired from this post and relocated to Halifax, Nova Scotia, where he continues to teach and compose.

Many of his works are traditional in style while others are more avant-garde; but all of his music reflects the established traditions of the various musical periods. His music tends to be well-structured, polyphonic, with unexpected elements.

Parker’s most ambitious work to date is the chamber opera The Visitor. This work was commissioned by Music Canada 2000 and the Newfoundland Symphony to commemorate the millennium of the arrival of the Vikings in Newfoundland in 1000 AD. The Visitor received its world premiere in Corner Brook and St. John’s, in September 2000.

He has won prizes in national and provincial competitions. Several of his works have been recorded on disc. In 1997 he produced a CD, LYRE: Chamber Music for Clarinet, a recording of seven of his works for this medium. In 1999 this CD was nominated for an East Coast Music Award for Best Classical Album.

His music has been performed throughout Canada, and in Amsterdam, London, Paris, Cairo, and throughout France and the United States. It has been performed by such artists and organizations as Lawrence Cherney, Erica Goodman, the Victoria International Festival, the Holland Festival, the Toronto Symphony, the Kitchener-Waterloo Symphony, the Minneapolis Symphony, and the Newfoundland Symphony.

In June of 1950 Memorial University held its first convocation, which was a fairly simple affair. Led by Engineering Prof. Jack Facey (who would later perform the role of convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick’s Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial’s registrar for 30 years, served as a dress rehearsal for the most elaborate convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Prof. Facey as the marshal of convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial’s convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John’s Arts and Culture Centre, Memorial in effect acquired a new convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial’s convocation. Fall convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar. In May 1992, 23 graduates received degrees in the first regular session of convocation held at Sir Wilfred Grenfell College, Memorial’s Corner Brook campus.

The ceremonial trappings of convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university’s authority and the presence of which signals the official opening of convocation – and the marshals’ staves were donated by Chancellor Lord Thomson in 1961. The original chancellor’s chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John’s firm of Clarmanis and Son Ltd.; the chairs bear the university’s coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second convocation furniture suite so that a complete set would permanently reside at each of the St. John’s and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor’s chair and the four companion chairs, which were completed in 2006. They also donated the two speaker’s lecterns, which were completed in 2007. The Roberts’ contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College (’31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Sir Wilfred Grenfell College, Dr. Michael Parker, was commissioned to create a special suite of music for convocation ceremonies. The suite, being premiered at Spring Convocation 2009, is dedicated to the late Ferriss Hodgett, vice-principal of the college, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, web-casting (by the university’s Distance Education and Learning Technologies unit) which virtually brings the ceremony to the whole world via the university web site at www.mun.ca. Other university units that play a role in convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which co-ordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs and Development, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 65,000 alumni members worldwide. While our convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
