HONORARY DEGREES

Candidates for honorary degrees may be nominated by any member of the community to the Senate Committee on Honorary Degrees and Ceremonial which, after due consideration, forwards its recommendations to Senate for approval.

To be considered for an honorary degree, candidates must normally have been benefactors of the university, or persons who have achieved eminence in learning or in the arts, or those who have otherwise distinguished themselves by outstanding public service.

ANNA MARY CURREN

Born in St. John’s, N.L., Ms. Curren attended Memorial University College on Parade Street for a year before attaining her registered nursing designation and bachelor of nursing degree in Montreal, Que., and Halifax, N.S., respectively.

While teaching nursing at Long Beach City College in California, Ms. Curren obtained an MA in Education - Instructional Design from California State University, Long Beach. When she assessed her students' refresher math textbook to be unusable, she wrote her own, at the urging of her students. In 1972, Ms. Curren started her own business, Wallcur, in honour of her father Wallace Curren, a St. John's-based businessman. She published her first text, Math for Meds in 1972. It became the leading text in this subject area, and changed the focus of instructional content to one that all authors in this subject use today. Her texts have sold over a million copies, and a product line of injection training products that Wallcur developed is used in nursing and allied health programs throughout North America.

A gay rights advocate, Ms. Curren was a vocal opponent of the “Don't Ask, Don't Tell” policy of the American military, and she served as a governing board member of Servicemembers Legal Defense Network based in Washington, D.C. In 2010 President Barack Obama signed the bill to repeal the policy.

For her contributions to nursing education and for her championship of gay civil rights, Ms. Curren was honoured by Servicemembers Legal Defense Network with the Anna M. Curren Service Award in 2010, which she has had the honour of presenting to major legislative and civilian awardees of the repeal effort.

For her many contributions to the nursing field, nursing education and her work as a gay rights advocate, Anna Curren will receive an honorary doctor of laws degree.

ROGER WILLIAM PEATTIE

Dr. Peattie was born in Grand Falls and began his academic life at Memorial University College on Parade Street. Following completion of his master of arts degree, he undertook his doctoral studies at University College, University of London. Returning to Canada in 1966 he took a post at the University of Calgary, where he was a professor of English for more than three decades.

As a Victorian scholar specializing in illustrated books, publishing history and the Pre-Raphaelites, Dr. Peattie has led the field in identifying William Michael Rossetti's centrality to the Pre-Raphaelite Circle. His seminal Selected Letters of William Michael Rossetti and his meticulous editorial work on the nine-volume Correspondence of Dante Gabriel Rossetti have had an enormous impact on Victorian studies.

Dr. Peattie is also a serious bibliophile and book collector. Beginning in the 1960s, he and his wife, Marlene, built what is considered one of the best, if not the best, collections of Pre-Raphaelite literature and Victorian illustrated books in Canada. In 2000 the Peattie’s donated the entire collection to Memorial. As one of only two collections with such breadth and richness, it has transformed the university into a major resource for the scholarly researcher in the Victorian book world. Now known as the Roger and Marlene Peattie Collection, it is housed in the Queen Elizabeth II Library's Archives and Special Collections unit and contains over 3,000 items. It includes many first editions as well as primary works from major authors, illustrators and designers of the period, among them Morris, Swinburne and Ruskin. With it is another collection of extraordinary beauty: Victorian illustrated books whose bindings and coloured pictures are masterpieces of the bookmaker's art.

Internationally acclaimed scholar, Dr. Peattie was awarded a Canada Council Leave Fellowship in 1972 and a Social Sciences and Humanities Research Council of Canada Leave Fellowship in 1980. For his contributions to research on book publishing and on Pre-Raphaelite literature and for his continuing contributions to Memorial's intellectual life, Roger Peattie will be recognized with an honorary doctor of laws degree.
A professor emeritus is a retired member of the faculty who has served at least ten years as a full-time faculty member and held the rank of professor upon retirement. The prime criteria for nomination are a sustained and superlative record as a scholar, as a teacher or as an academic administrator or any combination of these.

Candidates for the rank professor emeritus are nominated by their academic unit and, as with candidates for honorary degrees, the nominations are then reviewed by the Senate’s Committee on Honorary Degrees and Ceremonial. Having reviewed the nominations, the committee forwards its recommendations to Senate and then to the Board of Regents for consideration.

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering professor Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across the street to St. Patrick’s Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial’s registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held— that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial’s Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John’s Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial’s Convocation. Fall Convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred Grenfell College, Memorial’s Corner Brook campus (now Grenfell Campus).

The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace— the symbol of the university’s authority and the presence of which signals the official opening of Convocation—and the marshals’ staves were donated by Chancellor Lord Thomson in 1961. The original chancellor’s chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John’s firm of Clarmanis and Son Ltd.; the chairs bear the university’s coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John’s and Corner Brook campuses. The design of the new suit, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor’s chair and the four companion chairs, which were completed in 2006. They also donated the two speaker’s lecterns, which were completed in 2007. The Roberts’ contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College (‘31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Grenfell Campus, Dr. Michael Parker, was commissioned to create a special suite of music for Convocation ceremonies. The suite premiered at Spring Convocation 2009 and is dedicated to the late Ferriss Hodgett, vice-principal of Grenfell Campus, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, web-casting (by the university’s Distance Education, Learning and Teaching Support unit) which virtually brings the ceremony to the whole world via the university web site at www.mun.ca. Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs and Development, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 82,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
