During the centenary of World War I, Memorial remembers.
O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l’épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

Et ta valeur, de foi trempée
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvern voices tune thy rills,
We love thee smiling land.
We love thee, we love thee,
We love thee, smiling land.

When spreads thy cloak of shimm’ring white,
At Winter’s stern command,
Through shortened day and starlit night,
We love thee, frozen land.
We love thee, we love thee,
We love thee, frozen land.

When blinding storm gusts fret thy shore,
And wild waves lash thy strand,
Through spindrift swirl and tempest roar,
We love thee, wind-swept land.
We love thee, we love thee,
We love thee, wind-swept land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayers we raise to Heaven above:
God guard thee, Newfoundland!
God guard thee, God guard thee,
God guard thee, Newfoundland.

HONORARY DEGREES

Candidates for honorary degrees may be nominated by any member of the community to the Senate Committee on Honorary Degrees and Ceremonial which, after due consideration, forwards its recommendations to Senate for approval.

To be considered for an honorary degree, candidates must normally have been benefactors of the university, or persons who have achieved eminence in learning or in the arts, or those who have otherwise distinguished themselves by outstanding public service.

Old Perlican, N.L., native Marilyn Churley was first elected to the Ontario provincial legislature in 1990 and re-elected in 1995, 1999 and 2003.

She also served as the first female minister of Consumer and Commercial Relations and was the first female deputy speaker in the Ontario Legislature.

Ms. Churley was at the forefront of a number of key environmental issues, including Ontario’s Safe Drinking Water Act and initiatives to reduce greenhouse gas emissions, and worked for more than a decade with Equal Voice.

She introduced five private members bills in the legislature over a number of years; in 2005 she celebrated victory when the Liberal government passed legislation based on those bills.

Ms. Churley was the executive director of Environmental Defence Canada and a director of the Co-op Housing Federation of Toronto.

In 2009 Ms. Churley was appointed to the bench as an Ontario Justice of Peace.

Marilyn Churley will be awarded an honorary doctor of laws degree on Friday, June 2, at the 10 a.m. session of convocation in St. John’s.

Born in St. John’s, N.L., Moya Greene graduated from Memorial University with a bachelor of arts (classics) and then studied law at Osgoode Hall, York University. Upon graduation in 1979, she began her public service career.

At Transport Canada, Ms. Greene was responsible for broad reform of the over-burdened transportation system. She has also been a senior officer of three of Canada’s largest multinational companies: TD Securities, the Canadian Imperial Bank of Commerce and Bombardier.

Ms. Greene was appointed president and chief executive officer of Canada Post in 2005. In July 2010 she was appointed president and chief executive officer of Britain’s Royal Mail Group, the first non-Briton and woman to hold the post.

The Women’s Executive Network named Ms. Greene as one of Canada’s most powerful women in 2004, 2008 and 2011. She received the Sunday Times Business Person of the Year Award in 2013; the following year Ms. Greene received the Financial Times Boldness in Business Award.

Moya Greene will be awarded an honorary doctor of laws degree on Tuesday, May 30, at the 10 a.m. session of convocation in St. John’s.
Known by Canadians as “the science guy,” Wingham, Ont., native Bob McDonald is an author and science journalist who has spent the last 40 years as the country’s unofficial science expert. Mr. McDonald is the host of CBC Radio’s *Quirks and Quarks* and he is CBC Television’s chief science correspondent. From 1986-92 Mr. McDonald was the host and one of the producers of *Wonderstruck*, a Gemini Award-winning science program for children. In 2005 he premiered *Heads Up!,* which he wrote for, hosted and was awarded a Gemini.

Mr. McDonald has authored four bestselling science books and contributed to numerous textbooks, magazines and newspapers, including *the Globe and Mail*. His latest book is *Canadian Spacewalkers: Hadfield, MacLean and Williams Remember the Ultimate High Adventure*. In 2011 he was appointed as an officer of the Order of Canada and he has been awarded the “triple crown” of awards for science communication in the country.

Bob McDonald will receive an honorary doctor of laws degree on Wednesday, May 31, at the 10 a.m. session of convocation in St. John’s.

Ross Traverse was born in Loon Bay, N.L. He graduated with a bachelor of science degree in agriculture from McGill University in 1966 and completed a master’s in agriculture from Guelph University in 1970.

Following graduation, Mr. Traverse was hired by the Newfoundland Department of Forestry and Agriculture as a horticulturalist. He became widely known for his expertise, providing advice to established commercial greenhouse growers, new entrepreneurs and home gardeners alike. He helped pioneer the peat turf grass industry in the province through his help in establishing the province’s first commercial peat turf farm at St. Shotts, N.L.; in 1978 he established his own greenhouse business in Torbay, Traverse Gardens.

Mr. Traverse has appeared regularly on CBC Radio’s Crosstalk and on VOWR community radio. His book, *Ask Ross Traverse about Gardening: Practical Advice for Gardeners in a Cool Climate*, is in its second printing. In 2014 he was inducted into the Atlantic Agricultural Hall of Fame.

Ross Traverse will receive an honorary doctor of laws degree on Wednesday, May 31, at the 3 p.m. session of convocation in St. John’s.

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering professor Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick's Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial's registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial's Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John's Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial's Convocation. Fall Convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred Grenfell College, Memorial's Corner Brook campus (now Grenfell Campus).

The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university's authority and the presence of which signals the official opening of Convocation – and the marshals’ staves were donated by Chancellor Lord Thomson in 1961. The original chancellor's chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John's firm of Clarmanis and Son Ltd.; the chairs bear the university's coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John's and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor’s chair and the four companion chairs, which were completed in 2006. They also donated the two speaker’s lecterns, which were completed in 2007. The Roberts' contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College ('31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Grenfell Campus, Dr. Michael Parker, was commissioned to create a special suite of music for Convocation ceremonies. The suite premiered at Spring Convocation 2009 and is dedicated to the late Ferriss Hodgett, vice-principal of Grenfell Campus, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, webcasting (by the university's Centre for Innovation in Teaching and Learning unit) which virtually brings the ceremony to the whole world via the university website at www.mun.ca. Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 90,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
MEMORIAL UNIVERSITY COLLEGE was founded in 1925 as a living memorial to the men and women who lost their lives on active service during the First World War—“that in freedom of learning their cause and sacrifice might not be forgotten.” In recognition of this unique origin and to mark the 2014–19 centenary of the First World War, Memorial University has established the WW100 program.

The WW100 graphic features a stylized blue forget-me-not flower which was the traditional flower of remembrance in Newfoundland and Labrador as early as 1917. The centre of the forget-me-not is coloured claret, one of the university’s official colours which was selected to honour the Royal Newfoundland Regiment. The claret centre is also symbolic of the poppy which is a commemorative image in many countries. For more information on the WW100 program and the university’s activities, please visit www.mun.ca/ww100.

O CANADA
O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l’épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

Et ta valeur, de foi trempée
Protègera nos foyers et nos droits.
Protègera nos foyers et nos droits.

ODE TO NEWFOUNDLAND
When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvern voices tune thy rills,
We love thee smiling land.
We love thee, we love thee,
We love thee, smiling land.

When spreads thy cloak of shimm’ring white,
At Winter’s stern command,
Through shortened day and starlit night,
We love thee, frozen land.
We love thee, we love thee,
We love thee, frozen land.

When blinding storm gusts fret thy shore,
And wild waves lash thy strand,
Through spindrift swirl and tempest roar,
We love thee, wind-swept land.
We love thee, we love thee,
We love thee, wind-swept land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayers we raise to Heaven above:
God guard thee, Newfoundland!
God guard thee, God guard thee,
God guard thee, Newfoundland.
