Time 3 hours

Chair: Nancy Hill
Hill & Schumacher Ltd.

The purpose of this workshop is to give an opportunity to each CCWEST member organization, and especially to those who are not presenting elsewhere in the conference, to present the projects and successes of their organization to the conference participants. A second purpose is to share information and stimulate cooperation among CCWEST members. Each organization in turn will give a ten minute presentation in any format (verbal, poster, video), and then the audience will have an opportunity to ask questions.
