The Department of Earth Sciences invites applications from individuals interested in teaching the following undergraduate course in the Winter 2017 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Earth Sciences regulations and the Memorial University Calendar.
