EXPRESSION OF INTEREST
DOCTORAL PROGRAMS
FACULTY OF EDUCATION

Seeking Expressions of Interest in an Indigenous and Northern-centric PhD in Education

The Faculty of Education is seeking expressions of interest from potential doctoral students interested in an Indigenous and Northern-centric PhD in Education, which is responsive to Indigenous and northern education. If you are interested, please email us a brief outline of what you would seek from such an experience. Based on the response to this EOI, as well as stakeholder consultation, we will develop a contact list to further guide this recruitment process.

If you have any questions, please contact Dr. Kirk Anderson, Dean, Faculty of Education, by email at kirk.anderson@mun.ca by July 31, 2017.
