# BACHELOR OF EDUCATION for Nunatsiavut

Are you interested in a career in teaching in Nunatsiavut?

Nunatsiavut's communities need teachers and planning is underway to offer a bachelor of education degree in Happy Valley-Goose Bay.

This program will be offered by the Faculty of Education, Memorial University of Newfoundland and specifically designed for the Labrador Inuit educational context. Graduates of our primary/elementary teacher education programs are highly skilled and innovative teachers. They are committed to excellence in teaching and learning and provide leadership in schools and communities all over the world. If you want a rewarding career in teaching in Nunatsiavut, consider applying to the bachelor of education (primary/elementary) degree program in Labrador.

**Start Date:** September 2014 (subject to approval)

**Location:** Happy Valley-Goose Bay, Labrador

**Format:** Full-time, year round studies

**Duration:** Four years, 150 university credit hours

The bachelor of education (primary/elementary) degree normally qualifies graduates for a Level 5 Teaching Certificate issued by the Government of Newfoundland and Labrador.

## ADMISSION REQUIREMENTS

Individuals seeking admission to the program should have some prior post secondary educational experience. They will then build on this experience during the Pre-Education/Preparatory Year. Successful completion of 30 credit hours (see description under program plan) with an average of at least 65 per cent will be required to be formally admitted into the program and proceed to Year One.

## PROGRAM PLAN

The bachelor of education (primary/elementary) is a 150 credit hour integrated program of study comprised of both education and non-education courses. The education component includes two internships (school placements) aimed at providing candidates with supervised opportunities to develop and practice their teaching skills.

### 2014–2015 - Pre-Education/Preparatory Year

- Ten courses (30 credit hours) including mathematics, English, psychology, science and learning strategies.

## FORMAL ADMISSION – PROCEED TO YEAR ONE

### 2015–2016 - Year 1

- Introductory education courses (e.g. child development, teaching in the Labrador setting, teaching of specific subject areas)
- Introductory internship
- Non-education courses including Inuktitut and others selected mainly from the humanities discipline

### 2016–2017 - Year 2

- Education courses (e.g. exceptional learners, technology)
- Non-education courses selected mainly from the humanities discipline

### 2017–2018 - Year 3

- Fall teaching internship of 12 weeks
- Education courses (e.g. children's literature in indigenous contexts)
- Non-education courses selected mainly from the humanities discipline

## HOW TO APPLY
