*Students are advised to check the University Calendar for course descriptions and pre-requisites; course offerings vary by semester.

[^0]:    1. Registration for BUSN 4010, 4040 and 4070 is normally reserved for students in their final year of the BBA program; while not strictly required, students are strongly encouraged to complete BUSN 4010 before enrolling in 4040.
    2. Business Electives must be chosen from the prescribed list (see below); general electives will not be in this list and must be non-Business courses.
    3. Students must factor in all pre-requisites when selecting courses; note that all courses will NOT be offered in every semester so careful planning is required.
    4. General Degree: $60 \%$ average and 2.5 GPA. Honours Degree: $75 \%$ average in BUSN core courses + business elective and 3.25 overall GPA (no course repeats).
    5. In case of any discrepancy between this guide and the University Calendar, the Calendar shall be deemed correct.
