

Recycling Bins

Please ensure that the correct procedures are followed so that recycling and glass containers are not contaminated. The following depicts what should be placed in each bin:

Blue Recycling bins. Large bins with lid placed in kitchens and common areas; small bins in rooms.

Dry Recyclables, include: All types of paper (white, colours, newspaper, magazines and books), cardboard, empty drink cans, plastic bottles, cartons, plastic and paper cups.

Blue bins marked 'Mixed glass bottles & jars'. Placed in kitchens and common areas.

Glass, include all types of glass clear & coloured and jars all with lids removed.

All residual waste, which includes: food scraps, crisp bags, sweet wrappers, anything contaminated with food, should be placed in any litter bin.
