Revised / New Definitions

“Paralysis” the loss of ability to move all or part of the body

“Accident” sudden and unexpected mishap or event in which an Insured is involved and directly results in an Injury to the insured person

“Injury” In no event shall injury mean sickness or disease howsoever caused unless caused by an accident. A sudden and unexpected mishap or event in which an Insured is involved and directly results in an Injury to the insured person

“Loss” all definitions now have “irrecoverable” included in the wording.

“Loss of Use” means total incapacity to use part of the body and must be determined by a physician to be permanent

“Sickness or Disease” means the alteration of a person’s state of health resulting from internal or external cause(s), creating objectively verifiable symptoms and/or signs, and revealing itself by the impairment of physiological or mental functions

“Loss of Life” means the death of the Insured Person

“Commencement of Total Disability” means the date of commencement of the Insured Person's Total Disability, as determined by a Physician, which date must be subject to the satisfaction of the Insurer that, on that date, the Insured Person has met all criteria for Total Disability.
"Fare" means the regular fare charged for:
(1) an economy class seat on a regular flight by a domestic or international scheduled air carrier;
(2) a coach seat on a passenger train;
(3) a regular seat on a passenger bus;
(4) an economy class accommodation on a boat.

Each of those carriers must hold a current and valid certificate issued by Transport Canada or, if subject to regulation in another country, by a similar governmental authority having jurisdiction in that country.

"Functional Disability" means an irreversible and serious limitation of a person’s physical or mental capacity or of their skills that prevents the person from living independently.

"Professional Counsellor" means a therapist or counsellor who is licensed or registered within the jurisdiction in which he practices to provide psychological treatment or counselling.

"Paralysis" means the loss of ability to move all or part of the body.

"Quadriplegia" means the permanent Paralysis and functional loss of use of both upper and lower limbs of the body.

"Paraplegia" means the permanent Paralysis and functional loss of use of both lower limbs of the body.

"Hemiplegia" means the permanent Paralysis and functional loss of use of upper and lower limbs on the same side of the body.

“Institution for Higher Learning” was modified to read as “Institution for Higher Learning” is limited to universities, colleges, CEGEPs and professional or vocational schools.

“Dependent Child” was re-worded and “legitimate or illegitimate child” was changed to “natural child”.

“Spouse” was re-worded and the definition of “conjugal relationship” has been removed.
“Vehicle” now reads as “Motorized Vehicle” means a passenger car, van, jeep-type automobile, sports utility vehicle (SUV), any truck-type automobile, truck, ambulance, or any type of motorized vehicle used by municipal, provincial or federal police forces, will apply to all benefits where referenced.
