Beginning in Fall 2013, there is a new procedure for submitting the following grant applications: CIHR Open Operating Grants (CIHR OOG), NSERC Discovery Grants (NSERC DG), SSHRC Insight Development Grants (SSHRC IDG), SSHRC Insight Grants (SSHRC IG). Note that for all other grants, the old procedure still applies. For details about both procedures, please download our FAQ, which is available at

Update to Matching Fund Requirements for Connection Grants

When the Connection grant program was reinstated earlier this summer, a new 50% matching fund requirement was added. There has been some confusion on how this requirement should be interpreted, and we now have confirmation that the 50% match is to the SSHRC amount only, not the overall cost. For example, if your potential event costs \$15,000 overall, you could request \$10,000 from SSHRC and match 50% of this, or \$5000, with cash and/or in-kind commitments from non-SSHRC sources.
