Dean’s Remarks

Dr. Roy announced that the deadline for submission of nominations to the Search Committee for a new Dean of Arts is Friday, April 8. The list of those elected to represent the Faculty of Arts must be forwarded to the Acting Vice-President (Academic) by April 15.

Dr. Roy reported that enrolment in courses offered by the Faculty of Arts during the academic year 2010-2011 has increased by 2% over the previous year and that the Faculty has a positive Tuition Adjustment of $35,000. However, the Faculty also has a structural deficit of $500,000 - and whereas such shortfalls have been covered in the past by “carry-over” funds, these are now exhausted. Dr. Roy has asked for a budget reallocation to extinguish this structural deficit, but no decision has been reached as yet. In spite of budgetary uncertainties, a meeting to discuss possible new faculty hiring will take place as planned.

Dr. Roy announced that 10 faculty members in the Faculty of Arts have been awarded SSHRC Standard Research grants. He pointed out that Memorial’s success rate this year was 43%, whereas the comparable rate last year was 19% and this year’s national average 21%. In addition to these SSHRC awards, Dr. R. Devillers was granted a renewal of his NSERC grant; two colleagues received Outreach grants; and three SSHRC applicants were rated as 4A. Dr. Roy congratulated all these colleagues on behalf of the Faculty of Arts.

Dean Rankin offered her thanks to all those who assisted in ensuring that the work of the faculty continued during her absence from campus this summer. She also extended a special welcome to newly appointed ASMs in the faculty.

Dr. Rankin reminded those involved that candidates for tenure and promotion should forward four (4) copies of their File for Assessment to the Office of the Dean for distribution to their three external reviewers (one copy for each external reviewer and one copy for the candidate’s file in the Office of the Dean of Arts).
Members of Council were encouraged to offer to serve as Secretary of Faculty Council and on those Standing Committees on which there are still vacancies.

Dr. Rankin indicated that the faculty’s budget allocation has been received. This allocation should allow projected departmental Contractual Teaching and Baseline funding to be honored.

However, Dr. Rankin also announced that the latest data indicate that course registrations for the current (Fall 2011) semester show a significant decline (-206) compared to a year ago (Fall 2010). She also made reference to two new proposals (“Position-based budgeting” and a 1% budget cut to all units) which, if implemented, would have a negative effect on the financial situation of the Faculty of Arts.
