Are you interested in getting the help of a Mentor?

Be a Mentee!

Join MUN Mentors. As part of MUN Mentors, new international students are matched with senior students already attending Memorial University.

Why be a Mentee?

- To meet someone who can give you a student perspective on academic, social, and personal matters
- To get help adjusting to life both on campus and in the city
- Give you an opportunity to learn more about the traditions and customs of another culture
- To Participate in multi-cultural events with other International and Canadian students
- Introduce you to new friends
- Give you the opportunity to teach another student about your own culture

To Be Eligible:

- Must be enrolled for your first term at MUN for the Winter 2017 semester
- Must not be in enrolled in the English Second Language Program in Winter 2017
- Must complete and submit application by January 8, 2017

To Apply:
Visit the Mentee application link:
https://crm.stuaff.mun.ca/events/eventsign.htm (please find the MUN Mentor Program—Mentee application).

Apply Today!
Dear Applicant,

Welcome to Memorial University and thank you for your interest in the MUN Mentors Program! The MUN Mentors program is coordinated by the International Student Advising (ISA) Office.

The MUN Mentors Program is a peer mentorship program whereby new international students are mentored by current MUN students during their first semester at Memorial. We are certain that you will benefit greatly by seeking the help of a mentor! Once you are matched, your mentor will help you with all of your transition needs both before and after you arrive, including answering your pre-arrival questions, showing you around campus, adjusting/improving your study habits, making new friends, and helping you get involved in on- and off-campus activities. You will have a committed person that will be your contact before and after you arrive to Memorial University. It is important that you are committed as well to share your mentor about your experiences and culture.

On the previous page is an application form for the MUN Mentors program for Winter 2017 semester. Once you have completed the application form, please return it promptly to the program coordinator. Within a couple weeks of having submitted your application form, you will be contacted via email by the program coordinator and then by your mentor.

Please forward your application to me as soon as possible. Although mentee applications will be accepted up until January 8, 2017. If you have any further questions about the program, please feel free to contact me at yingz@mun.ca

I look forward to hearing from you soon.

Sincerely,

Ying Zhang
MUN Mentors Program Coordinator
