

Get connected.

Residence Wi-Fi service in 3 easy steps:

- 1** Connect to the Wi-Fi Network @MemorialRES for residents, @MemorialRes-Guest for guests or to the identified wired port.
- 2** Your device's web browser will redirect you to the login page. Choose resident network option. Choose to create a new account (first time users). Verify email address (a verification link is sent).
- 3** Setup your network account and add your devices.
