Android – How to Forget Wireless Network
Memorial University

Follow these steps to forget a wireless network

1. Tab on the “Settings” icon to open the Settings app.

2. In the Settings app, tap Wi-Fi to display a list of networks. Tap on the wireless network you want your device to forget.

3. Tap on “Forget” to forget the network.

4. The network is now forgotten.

Troubleshooting

Please contact the ITS Service Desk at (709) 864-4595 or help@mun.ca
