Follow these steps to connect to the @Memorial wireless network

1. Tap on the “Settings” icon to open the Settings app.

2. In the Settings app, tap Wi-Fi to display a list of available networks, then tap on @Memorial.

3. When prompted, enter your MUN Login username into the Identity box, and your password into the Password box. If needed, set the EAP method to “PEAP” and the Phase 2 authentication to “MSCHAPv2”. Then tap “Connect”.

4. After a few seconds, you should now be connected to Memorial University wireless.

Troubleshooting
