OSX - Wireless Quick Connect Guide
Memorial University

Follow these steps to connect to the @Memorial wireless network

1. Click the Airport icon in the menu bar in the top right corner of your screen.

2. In the list of available networks, @Memorial should be listed. Click on @Memorial.

3. When prompted, enter your MUN Login username and password and click “Join”.

4. When prompted, click “Continue” to accept the security certificate.

5. Enter your OSX user credentials and click “Update Settings”, to make changes to your Certificate Trust settings.

6. You should now be connected to Memorial University wireless.
