Follow these steps to connect to the @Memorial wireless network

1. Click the Network Manager icon in the notification area. Then choose @Memorial from the menu.

2. An authentication window will appear. Fill out the window with the following configuration:
   - Tick the box next to No CA certificate is required.
   - Use your MUN Login credentials for the username and password.

   Then click the Connect button.

3. You should now be connected to Memorial University wireless.
