Follow these steps to forget a wireless network

1. Click on the Start button and search for “Manage Wireless Networks”. Then click the “Manage Wireless Networks” shortcut.

2. A list of your existing wireless network profiles will appear. Click on the network you want to forget, then click Remove.

3. Click on Yes to confirm.

4. The network profile is now removed.

Troubleshooting

Please contact the ITS Service Desk at (709) 864-4595 or help@mun.ca
