Follow these steps to connect to the @Memorial wireless network

1. Click the network icon in the notification area in the bottom right corner of the screen. Then click on “Connect to a network”.

2. Click on the @Memorial, then click “Connect”.

3. The Additional log on Information window will appear. Click on “Enter/select additional log on information”.

4. Enter your MUN Login credentials and click OK.

5. The Additional log on Information window will appear again. Click on “Enter/select additional log on information”.

6. Click OK to accept the security certificate.

7. On the “Successfully connected to…” window, click “Close”.

8. You should now be connected to Memorial University wireless.
