

## Kids@MUN

### Kids@MUN Culture Corner **New!**

In this new Kids@MUN program, we'll introduce your child to various world cultures. Join us for an exciting session devoted to the Italian language and culture. Stay tuned for upcoming cultural classes in Chinese, Japanese, Arabic and German!

#### **Ciao! Discover Italy!**

Join Debora for a fun-filled Italian culture program where children will be given the opportunity to explore the Italian language and culture through arts and crafts, music, food and literature. Join your children at the end of the program to take part in an Italian exposition showcasing all that your children have learned.

#### **English Enrichment for Children in French Immersion (Grades 1 and 2)**

Are you struggling to find a balance with French homework while trying to teach your children to read in English? While children in early immersion are learning the French language, the development of their English reading is also an important skill. Complement your child's educational experience by

introducing how to read in English. By participating in our sessions, your child will enhance their English vocabulary, pronunciation, syllabification, root words and more, without compromising the importance of their French Immersion schooling.

- Grade 1  
Sun., Jan. 31 – March 21 (8 classes), 9:30 – 10:15 a.m.  
\$89. Facilitator: Tiffany Hancock.
- Grade 2  
Sun., Jan. 31 – March 21 (8 classes), 10:30 – 11:15 a.m.  
\$89. Facilitator: Tiffany Hancock.

#### **Drawing and Painting** (ages 5–8)

Your child will create works of art that are sure to become instant family treasures. By working with watercolour, pencil, pastels and everything in-between, your child will have an opportunity to express his or her creative side in a variety of media and approaches.

Sat., Jan. 30 – March 20 (8 classes), 9:30 – 11 a.m.  
\$89. Facilitator: Julie Whalen.

#### **Sketching and Cartooning** (ages 9-12)

Your budding artist will use a variety of drawing materials while learning basic drawing skills and techniques with specific emphasis on the importance of line, shape, value, texture, composition and perspective. Your child will then use their newly acquired skills to create cartoons and simple animation pieces.

Sat., Jan. 30 – March 20 (8 classes), 11:15 a.m. – 12:45 p.m. \$89. Facilitator: Julie Whalen.

We're always looking for new course ideas. If you have a suggestion, please share it with us.

**Collaborative Art** (ages 8+) **New!**

Not all artists work alone; some of the best works are made by collaborating with others. We'll work as a group on drawings, murals and sculptures to create fantastic works, large and small.

.....
