

Marine Matters

Coastal Navigation, Level 1

This class may be used for certification upgrading with the Professional Fish Harvesters Certification Board.

Newfoundland's coastline is one of spectacular beauty; it is also one of treacherous shoals, reefs and outcroppings. As a responsible mariner, you cannot enjoy the beauty of the setting without also being alert to the hazards that lurk there. Coastal Navigation, Level 1, will equip you with the knowledge and skills you need to safely navigate the island's coastal waters. Topics include navigational charts and publications, position and direction on the earth's surface, the magnetic compass, ship position and tracking, aids to navigation, rules of the road and basic route planning.

.....
Sat./Sun., March 6/7 and 20/21 (2 weekends),
9 a.m. – 4 p.m. \$215. Facilitator: Captain Jan Negrijn.
