

Atlantic Association for Research in Mathematical Sciences
Memorial University of Newfoundland
ATLANTIC ALGEBRA CENTRE

AAC Mini Course

Representations of Finite Dimensional
Associative Algebras

will be delivered by

Professor Vlastimil Dlab, F.R.S.C.

Carleton University, Ottawa

visiting Atlantic Algebra Centre
on October 4 - 10, 2009.

Read about the illustrious career of Professor Dlab on

<http://www.math.carleton.ca/~vdlab/>

Everybody is invited! A limited support is available for the mathematics students in Atlantic Canada. Please provide a recommendation letter from your supervisor. Send applications to [aac at mun.ca](mailto:aac@mun.ca).
