

## **CURAC Group Automobile and Property Insurance**

**We are pleased to remind all MUNPA members that CURAC, the College and University Retiree Associations of Canada, has entered into an agreement with the Waterloo Insurance Company to make available Group Automobile and Property Insurance to all members residing in Canada.**

In the province of Newfoundland and Labrador, the availability of Group rates under this agreement have only recently become available to MUNPA members with the issuing to Waterloo Insurance of the required provincial licence to offer group insurance rates in Newfoundland and Labrador. Also, agents of Waterloo Insurance are now licensed to advise MUNPA members on their insurance needs.

As a result of this agreement, MUNPA members now have the opportunity to receive competitive group rates and quality insurance coverage for auto, home, condominium, cottage, seasonal dwelling and tenant insurance for renters.

The agreement provides the following benefits to members:

- Competitive group insurance rates – discounts up to 60% on your automobile and property premiums PLUS a CURAC Discount.
- No interest or service charges on monthly payment plans – a potential additional 3% savings.
- Payment plans include monthly pre-authorized chequing, Visa, MasterCard and American Express.
- No obligation telephone quotations.
- **24 hour, toll-free claims service across North America.**
- Insurance tailored to your specific needs.
- Friendly, professional advice.

As an added incentive for members to pursue this option, Waterloo Insurance is hosting a campaign whereby any member who calls for a quote on insurance by December 17, 2010 will be eligible to win a \$5,000. prepaid Mastercard. In addition, all members who call for a quote will receive a \$5 Tim Horton's card.

**To receive a no obligation quote and start saving simply visit [www.waterlooinsurancequote.ca](http://www.waterlooinsurancequote.ca) (Group Code # 6262) OR call Waterloo Insurance Sales and Service Centre today at 1-866-247-7700.**
