From Lifelong Learning:

Over the years, MUNPA members have used our classes to learn how to draw, play Bridge, prepare food in a variety of cooking styles, play the fiddle, sing, operate a computer... and all as part of the benefits they enjoy under their pension agreement. So why not discover what hundreds of your fellow MUN pensioners already know about Lifelong Learning classes: They're fun, informative and yours for the asking. (Now including more than 30 e-learning classes. See below).

Speaking of asking.... Do you have an idea for a class you'd like to see developed? We're always looking for new class ideas. And if you'd like to teach the class, even better! We're also always looking for facilitators to teach new and existing offerings! If you have an idea for a class that you think might have

broad educational appeal, we want to hear from you! Ditto if you're interested in teaching for us.

Finally, if physical or locational issues are keeping you from taking advantage of our offerings, you'll be pleased to know that we now have more than 30 e-learning courses available for your learning pleasure. (E-learning classes are also eligible for subsidization by the university). It's learning that you do in your own space, at your own pace, wherever you have access to the Internet.

Join us today, either as a participant, a provider or BOTH. Classes are starting throughout the fall. Call 737-7979 (St. John's and vicinity) or toll free 1-866-959-8474, or see www.mun.ca/lifelonglearning. Hope to see you soon. Together we bring learning to life!
