

**Memorial University of Newfoundland Faculty of Nursing  
Fall 2020 Registration Information  
BN (Collaborative) Program (Accelerated Option)**

The nursing courses you are required to complete during Fall 2020 are listed below, please review course offering information ([http://www.mun.ca/regoff/registration/course\\_offerings.php](http://www.mun.ca/regoff/registration/course_offerings.php)), including times for each class and lab to coordinate your schedule and avoid overlaps.

Please ensure you **register for and submit all your courses together at the same time** and that you do so as soon as possible to allow for successful registration.

If you have questions regarding nursing course registration please email [nursundergrad@mun.ca](mailto:nursundergrad@mun.ca)

<u>Year 1 (AO)</u>	<u>Section</u>	<u>CRN</u>
<b>Biochemistry 1430</b>	081	49549
<b>NURS 1002 Anatomy &amp; Physiology I</b>	001	41782 <b>AND</b> one of the following N1002 lab slots
