Faculty of Science
Physics and Physical Oceanography
PHYS 1020 – Introductory Physics I

The Physics and Physical Oceanography department invites applications from individuals interested in teaching PHYS 1020 - Introductory Physics I - in the Fall 2017 semester. Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Physics and Physical Oceanography regulations and the Memorial University Calendar.

Course Title: PHYS 1020 – Introductory Physics I

Campus Location: St. John’s Campus

Qualifications: Applicants are required to have a PhD in Physics (or equivalent, i.e. a MSc in Physics with appropriate academic/professional experience related to the course content). Previous experience in teaching undergraduate Physics is desirable. Applicants should specify the course they are applying to teach. Applicants should submit curriculum vitae and the names and contact information for three references to:

To apply for this position:
Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:
Dr. Jolanta B. Lagowski
Head, Department of Physics & Physical Oceanography
Memorial University of Newfoundland
St. John’s, NL A1B 3X7
dcoombs@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement
