Subject to budgetary restrictions, the Department of Physics & Physical Oceanography will hire Per Course Instructors to teach Physics 1021, and Physics 3151, day time undergraduate Physics (laboratory) courses, at St. John’s Campus in Winter 2018 Semester. The appointments will be on a per course basis and will not entail an obligation to conduct research, or perform any administrative services for Memorial University.

Per Course Instructors are expected to prepare and deliver the course in accordance with Senate and departmental requirements.

Applicants for Physics 1021, and Physics 3151 courses are required to have a PhD in Physics (or equivalent, i.e. a MSc in Physics with appropriate academic/professional experience related to the course content). Previous experience in teaching undergraduate Physics is desirable. Applicants should specify what course they are applying to teach. Applicants should submit curriculum vitae and the names and contact information for three references to:

Dr. Jolanta B. Lagowski  
Head, Department of Physics & Physical Oceanography  
Memorial University of Newfoundland  
St. John’s, NL A1B 3X7  
dcoombs@mun.ca

The closing date for receipt of applications is October 6, 2017.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Memorial University is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities.
