Applications are invited from qualified individuals who are interested in being considered for a position as a per course instructor teaching Psychology 7022 Practicum in Child Assessment and Diagnosis in Spring 2016 on the St. John’s campus. The course time is TBA but will be scheduled to ensure it fits with the Psy.D. graduate students’ schedule. The course instructor will provide background knowledge of and instruction in the administration and interpretation of both the WISC – IV and the WIAT followed by weekly seminars with the students while they complete an assessment with a child through a practicum placement at Eastern Health. The Calendar description is:

**7022 Practicum in Child Assessment and Diagnosis** provides an opportunity for students to complete a psychoeducational assessment of a child. Students will administer a selected battery of psychometric tests and interviews, interpret the results, provide verbal feedback and write a report of their findings and recommendations. Where possible they will also participate in a case conference or school meeting. The practicum requires that students spend 16 hours per week for 6 weeks working under supervision in the Psychology Clinic and attend a weekly seminar.

**Required qualifications:** (1) Either a Ph.D. or Psy.D. from an APA or CPA accredited clinical psychology programme; (2) Registration in Newfoundland and Labrador; (3) a demonstrated knowledge of clinical psychology and of the specific topics noted in the course description; (4) demonstrated teaching effectiveness in a practicum setting; (5) demonstrated experience with both the WISC-IV and the WIAT; and (6) demonstrated experience in child assessment and diagnosis with a diverse population and familiarity with different orientations and approaches.

Applicants should send a letter of application, curriculum vitae, evidence of effective teaching, and the names of three references in electronic form to: psychsecretary@mun.ca

If electronic submission is not possible, applicants may send the information to:
