Reference: psyc-2015-X-**6633-001**
Term: Fall, September 2015

Applications are invited from qualified individuals who are interested in being considered for a position as a per course instructor teaching Psychology 6633 Clinical Psychopharmacology in **Fall** semester 2015 on the St. John's campus. The course schedule will be determined by the instructor in consultation with the Director of Clinical Training. The Calendar description is:

6633 Psychopharmacology examines the theoretical basis for the action of psychoactive medications and reviews empirical evidence concerning their effectiveness and side effects across the lifespan.

Required qualifications: A demonstrated knowledge of the specific topics noted in the course description. The candidate will be expected to have at least a Master's degree. Preference will be given to candidates who are registered, who have a doctorate and who have conducted research in this area.

Applicants should send a letter of application, curriculum vitae, evidence of effective teaching, and the names of three references in electronic form to: psychsecretary@mun.ca

If that is not possible, applicants may send the information to:

Head, Department of Psychology
Memorial University of Newfoundland
St. John's, NL
A1B 3X9

The deadline for receipt of complete applications is **7 May, 2015**.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities.
