

The Psychology department is seeking nominations for two scholarships.

### **1) Toronto Alumni Scholarship**

This scholarship is being established through the fund raising efforts of the Toronto Alumni Branch of the Memorial University of Newfoundland Alumni Association. The scholarship, valued at a portion of the income on the investment, will be available to an undergraduate student, beyond first year, in any field of study who is a resident of Newfoundland and Labrador (a person who has maintained permanent residence in the province for a minimum of twelve months immediately prior to entering the University) and who demonstrates both academic excellence and leadership qualities. Based on scholarship standing it will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on the recommendation of the Deputy Provost (Students) and Associate Vice-President (Academic) Undergraduate Studies.

### **2) Colbourne Family Scholarship**

This scholarship was established by a generous gift from the estate of Alexander T. (Sandy) Colbourne. Sandy, a local businessman and community leader and his wife, Blanche, instilled an appreciation of higher education and service in both their children, Peter and Ann. This gift honours these values. Valued at \$5,000 and renewable for an additional two years it will be awarded annually to a student in any faculty or school who has completed their first year of studies at Memorial University of Newfoundland's St. John's Campus, who meets the minimum academic requirements for a scholarship as defined by Memorial University of Newfoundland, and who has demonstrated leadership ability. Activities within various student organizations, participation on faculty committees, and/or contribution to the larger community will be considered in determining appropriate candidates. This scholarship will be awarded by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards upon the recommendation of the Deputy Provost (Students) and Associate Vice-President (Academic).

Psychology and Behavioural Neuroscience majors are asked to nominate themselves for the award by sending a CV or resume, a letter detailing their leadership activities, and letters of reference directly to Dr. Christina Thorpe ([cthorpe@mun.ca](mailto:cthorpe@mun.ca)) of our departmental awards committee. The deadline for nominations is Monday, January 23, 2017 at 5:00 pm.
