

Conference Fund Committee

The following is the recommended outline for proposals to the Conference Fund Committee. Feel free to modify to fit the requirements of your initiative. Proposals should not exceed two pages.

A copy of the Committee's Terms of Reference is attached.

NOTE: In order for funding to be advanced, an internal FOAPAL must be established. If a FOAPAL isn't established by the conference organizer (or applicable department), the Office of the Vice-President (Research) will initiate the request. After the conference has occurred and all outstanding expenses have been incurred, a Banner printout for the applicable account will be required to be submitted with the final report. In the event the conference generates a surplus, the amount advanced by the Conference Fund Committee (or a portion thereof depending on the final revenue) will be repaid.

COVER LETTER

The cover letter must be signed by the Dean or Director confirming support of your division (in-kind or financial).
