64. RESEARCH INTEGRITY: DR. CHANDRA ISSUE - A PRESENTATION BY DR. AXEL MEISEN

Dr. Meisen opened the Special Meeting by reminding Senators that the original topic for this meeting was intended to be a presentation on Sir Wilfred Grenfell College to be given by the Principal, Dr. John Ashton. However, in view of the considerable concern which has arisen from a three-part series aired on The National during the first week in February with regard to Dr. Chandra, Dr. Meisen requested and Dr. Ashton agreed that the topic for this meeting would be changed to “Research Integrity: Dr. Chandra Issue”. Dr. Meisen thanked Dr. Ashton noting that the presentation on Sir Wilfred Grenfell College will be given in March or April, 2006.

The President observed that, in his view, the Senate can be regarded as the heart and soul of the University and when questions arise on issues such as research integrity which deal with the academic well-being of the University and which touch on the heart and soul of our institution, it is important that Senate become familiar with and deal with these questions. Dr. Meisen then gave a powerpoint presentation which reviewed the history of the issue and provided a summary chronology of the events(a copy of the presentation is lodged in the Senate files). He also noted that a statement outlining the actions that the University took in the past to examine the allegations of research misconduct against Dr. Chandra is available on-line at http://www.mun.ca/marcomm/chandra.php.
Research Integrity: Dr. Chandra Issue - A Presentation by Dr. Axel Meisen (cont’d)

Following his presentation, Dr. Meisen invited comments and views on what has been done, what is planned and what else can or might be done with respect to this issue.

A wide ranging discussion then ensued covering such topics as:

- the methods of capturing, preserving and retrieving research data.
- the need to balance freedom and flexibility to conduct research with safeguards appropriate for researchers, the University, funding agencies and the general public.
- the effect that industry sponsored activities might have on University research.
- the likelihood that current, more stringent arrangements now in place particularly for research by clinicians may have reduced substantially the recurrence of such events.
- the need to learn from this case to improve our research systems, training, processes and practices.

Following discussion, the President thanked Senators for their questions and comments. He also advised Senate that an “Open Forum on Research Integrity” will be held on February 15, 2006.

65. ADJOURNMENT

The meeting adjourned at 5:10 p.m.

FRENCH IMMERSION OPTION

The French Immersion Option is only available in the Bachelor of Education (Primary/Elementary): Integrated Delivery Program.

In addition to meeting the Admission Requirements for the Bachelor of Education (Primary/Elementary) Degree Program, students applying for this option must have French as a Focus Area. Admitted students will spend the two semesters of the Professional year in a French milieu.

These students must meet all requirements for the Bachelor of Education (Primary/Elementary): Integrated Delivery Program except as modified in Clauses (a)-(c) below:

Students must successfully complete:

a) prior to the beginning of the Professional Year
   i) at least 27 credit hours in French, including French 3100 and 3101,
   ii) either high school French Immersion including Francais 3202 or at least one semester of study in a French milieu,

b) the Professional Year in a French milieu, including the equivalent of Education 4155 and Education 3050, and

c) the internship in a French Immersion setting.

Students who are interested in the French Immersion Option should contact the Office of Undergraduate Student Services, Faculty of Education, at their earliest opportunity.

1. Admission to the M.A. in English is limited and competitive. Applicants should have an Honours B.A. in English (or the equivalent, 60 credit hours in English with an appropriate range of courses) and a strong academic record.

2. Strong candidates who have come close to achieving Honours equivalency may be admitted on the condition that they complete such undergraduate courses as the Department may deem necessary, in addition to the required graduate courses.

3. Candidates who have not completed English 4900 (Bibliography 1) or an equivalent course will be required to complete English 5900 (Bibliography and Research Methods), which will not count as one of the required courses for the M.A. The course will be graded “pass” or “fail”. As in other graduate courses a grade of 65 or above is considered a pass.

PROGRAM OF STUDY

(1) Thesis Option

Candidates completing the M.A. with thesis will complete a minimum of 15 credit hours in graduate courses, which will normally include English 7003, and a thesis.
Department of English (cont’d)

Candidates must submit a thesis proposal which includes a statement of topic, a working title, a plan of research, and a preliminary bibliography. The proposal should be approved by the Supervisor or Supervisors and submitted to the departmental Graduate Studies Committee for its approval by the end of the candidate’s third semester. The departmental Graduate Studies Committee shall return the thesis proposal to the candidate no later than one month after receiving it.

Full-time students who choose the thesis option will usually complete their degree in two years.

(II) Non-Thesis Option

Candidates completing the M.A. without thesis will complete a minimum of 24 credit hours in graduate courses, which will normally include English 7003.

Full-time students who choose the non-thesis option will usually complete their degree in one year.”

Page 540, 2005-2006 Calendar, under the heading English Language and Literature, delete the section entitled “Doctor of Philosophy” in its entirety and replace with the following:

“DOCTOR OF PHILOSOPHY

1. Admission to the Ph.D. in English is limited and competitive. Applicants should have a Master’s degree in English or its equivalent from a recognized university and should have an outstanding academic record.

2. All candidates will be required to complete 15 credit hours in graduate courses. These courses will be selected by the candidate in consultation with the candidate’s Supervisory Committee.

While candidates will normally be free to choose graduate courses of interest to them, it will be a primary responsibility of their Supervisory Committees to ensure that any serious deficiencies in their record of previous courses, graduate and undergraduate, are remedied, particularly in the area of proposed thesis research.

3. Candidates who have not previously taken English 7003 or its equivalent will take English 7003, which will count as one of the required courses for the Ph.D. Students who have taken English 7003 or its equivalent before entering the Ph.D. program must still complete 15 credit hours.

4. Candidates who have not completed English 4900 (Bibliography I) or English 5900 (Bibliography and Research Methods) or an equivalent course will be required to complete English 5900, which will not count as one of the required courses for the Ph.D. The course will be graded “pass” or “fail”. As in other graduate courses a grade of 65B or above is considered a pass.
Department of English (cont’d)

5. Candidates must submit a thesis proposal which includes a statement of topic, a working title, a plan of research, and a preliminary bibliography. The thesis proposal should be approved by the Supervisory Committee and submitted to the departmental Graduate Studies Committee for its approval before the Comprehensive Examination and before the end of the fifth semester. The departmental Graduate Studies Committee shall return the thesis proposal to the candidate no later than one month after receiving it.

6. Reading knowledge of a second language will be required of all candidates. Reading knowledge is defined as a minimum B grade in a second-year language course taken within the previous five years, a passing grade in an approved second-language course for graduate students, or performance satisfactory to the Department in an arranged reading proficiency test (in which a dictionary may be used).

The language requirement should be completed before the Comprehensive Examination is taken.

The second language will normally be French. In exceptional circumstances, and on the recommendation of the Supervisory Committee and the departmental Graduate Studies Committee, a language other than French may be substituted.

The Supervisory Committee may also require a demonstrated reading knowledge of an additional language (other than French or the substituted language) if such knowledge is deemed necessary for the student’s research interests.

7. The Ph.D. Comprehensive Examination in English is a written examination prepared by the candidate’s Comprehensive Examination Committee.

In accordance with General Regulation H.2, the candidate’s Comprehensive Examination Committee will include the Head (or the Head’s delegate, usually the Graduate Coordinator), the candidate’s supervisor, and three other members of the Department.

The written examination shall consist of three parts: a four-hour examination in the student’s area of concentration and two three-hour examinations in two other specified areas. In accordance with General Regulation H.2, the examination shall take place before the end of the seventh semester.

Candidates will be graded “pass with distinction”, “pass”, “re-examination”, or “fail”, in accordance with General Regulation H.2.d. Candidates who are marked for “re-examination” will be re-examined in the area or areas in which the Comprehensive Examination Committee has determined that the candidates performance is deficient. The nature of this re-examination (and whether it will be written or oral) is left to the discretion of the Comprehensive Examination Committee.”

71. REPORT OF THE SENATE ELECTIONS COMMITTEE

A memorandum dated January 24, 2006, was received from the Committee on Senate Elections reporting the entitlement of each constituency to seats on Senate for the 2006-2007 academic year in accordance with the Procedures for Selection of Senate Members.

REGULAR AGENDA

72. REPORT OF THE SENATE COMMITTEE ON UNDERGRADUATE STUDIES

72.1 Faculty of Business Administration

The motion to approve the new degree program, International Bachelor of Business Administration, which was moved by Professor Walsh, seconded by Dr. Gorman, carried.

Page 416, 2005-2006 Calendar, under the heading Regulations for the Honours Degree of Bachelor of Business Administration, immediately following clause “4)”, insert the following new program:

“REGULATIONS FOR THE GENERAL DEGREE OF INTERNATIONAL BACHELOR OF BUSINESS ADMINISTRATION (IBBA)

GENERAL REGULATIONS

1) The iBBA program requires a total of 120 credit hours.
Faculty of Business Administration (cont’d)

2) The program includes a compulsory one-semester approved program of full-time study at an overseas location. Students must normally have completed at least 72 credit hours of the program and no more than 96 credit hours of the program prior to commencement of the study abroad program.

3) The overall program must have a coherent global and regional content. In order to achieve this coherency students shall nominate a global region (e.g. Asia, Europe, Latin America) as a focus area within their program. The choice of region will affect both the choice of non-business courses and the choice of location and content of the study abroad program. (see Global and Regional Content below)

ADMISSION REQUIREMENTS

1) Normally, admission is offered for the Fall Term. The deadline for admission (or readmission) is March 1. Students applying for admission to the iBBA must submit the Application For Admission to the Faculty of Business Administration to the Office of the Registrar on or before this deadline. Where circumstances permit, applications will be considered for the Winter and Spring Terms. The deadlines for admission (or re-admission) are October 1 for Winter, and February 1 for Spring.

2) Students who are seeking admission for the Fall Semester normally must have completed all the courses required for admission by the end of the Winter Semester.

3) Applications received after the deadline will be considered only if a space is available in the program.

4) Eligibility: To be eligible for Admission to the iBBA program an applicant must have successfully completed the Pre-iBBA program (see Curriculum, clause 1, below) with an average on those courses of at least 65% or better, or the equivalent at another recognized post-secondary institution. Students who are transferring from other universities must apply for admission to the University on or before the deadlines specified in the University Diary for the semester in which they intend to begin their program, to allow sufficient time for the evaluation of transfer credits.

5) Admission is competitive and selective. Therefore, prospective students are encouraged to consider an alternate degree program in the event that they are not accepted into the International Bachelor of Business Administration program.

6) The primary criterion used in reaching decisions on applications for admission is overall academic achievement. Selection, therefore will be based on a student’s overall academic performance in addition to the average on the thirty credit hours required for admission. Students with weak overall academic records are unlikely to be admitted.

7) In the case where an applicant has been required to withdraw from one of the Faculty’s other Undergraduate programs, the Admissions Committee of the Faculty may consider this circumstance as grounds to deny admission.
Faculty of Business Administration (cont’d)

THE CURRICULUM

1) The iBBA program includes the following thirty credit hours that comprise the Pre-iBBA program:

a) Six credit hours in English courses*;
b) Mathematics 1000;
c) Economics 2010 and 2020;
d) Business 1000;
e) Political Science 2200;
f) Nine additional credit hours in non-Business courses, at least 6 credit hours of which must be in courses chosen from the Faculties of Arts and/or Science and/or the School of Music**.

* It is strongly recommended that students complete English 1110, Comprehension, Writing and Prose Style, as one of these English courses.
** It is also strongly recommended that students take into account the Global and Regional Content requirement (below) when choosing these additional 9 credit hours of study.

2) In addition to the Pre-iBBA program requirements, the curriculum shall consist of the successful completion of:

a) Thirty nine credit hours consisting of: Statistics 2500 and Business courses 1101, 1201, 2000, 2101, 2301, 2401, 3401, 3701, 4000, 4320, 4500, and 7000.

b) Fifteen credit hours of international business related courses, which must include:

- Economics 3030 International Economics
- Business 7302 International Business

and any three from:

- Business 6311 International HRM
- Business 7240 International Marketing
- Business 6012 Special Topics in International Strategic Management
- Business 6550 International Finance
- Business 6040 International Business Law
- Econ 4030 International Trade*
- PolSci 3250 International Political Economy
- *Any other approved course with an international focus.

*Students need to satisfy the pre-requisites for Econ 4030 specified in the University Calendar.

c) Twelve further credit hours in non-business courses. Students should take into account Clause 1, **Non-business elective courses**, under Global and Regional Content requirement below when choosing these additional twelve credit hours of study.
Faculty of Business Administration (cont’d)

d) Twelve credits hours in an approved study abroad program. The program must meet Clause 2, Location and content of study abroad program, under the Global and Regional Content requirements below.

e) The remaining twelve credit hours are electives. It is recommended that students choose their elective courses so that their overall program contains at least one group of four or five courses within a chosen functional area or specialization or minor.

3) For graduation, a student must be enrolled in the iBBA program, and have completed the 120 credit hours required with a minimum average of 65% on the program courses.

GLOBAL AND REGIONAL CONTENT

Courses chosen to meet the above requirements must have a coherent global and regional content. In order to achieve this coherency, students shall nominate a global region (e.g. Asia, Europe, Latin America) as a focus area within their program. The choice of region will affect the choice of non-business elective courses as well as the choice of location and content of the study abroad program.

1) Non-business elective courses
a) Non-business elective courses must include the following nine non-language credit hours:
   (i) At least 3 further credit hours with a global and/or comparative international perspective
   (ii) At least 6 credit hours with a chosen regional perspective

   In Table 1 below an illustrative list has been provided, indicating a range of courses available at Memorial that offer a global or regional perspective. The latter may include languages, regional studies and other cross-cultural courses as well as approved courses in Economics.

b) Study of a foreign language relevant to the chosen region, commencing in the Pre-iBBA program, is highly recommended. Students selecting a regional perspective and planning to undertake their study abroad program where English is not the main language must complete 6 credit hours of the relevant language prior to undertaking study abroad.

2) Location and content of study abroad program
a) The approved study abroad program must be taken at a location consistent with the chosen region of focus. This will usually be at one of Memorial’s exchange partner universities but may involve participation in Memorial’s Harlow Program, or similar. Students are encouraged to carry a full 15 credit hour load while abroad but must follow a program of at least 12 credit hours or equivalent.

b) To ensure that students obtain regional perspectives and skills not available at Memorial an approved program must include:
   (i) at foreign language locations, at least three credit hours of study of a regional language.
Faculty of Business Administration (cont’d)

(ii) at all locations, at least six credit hours with a specific regional content
(iii) at locations in Britain, Ireland, the US, Australia and New Zealand, at least 9 credit hours with a specific regional content.

For the study abroad program, courses regarded as having specific regional content would include languages, regional studies and other cross-cultural courses as well as approved courses in Economics and Business.

c) Subject to these requirements there is no additional restriction as to the proportion of business or non-business courses studied abroad. For example, an approved study abroad program may contain courses entirely of an ‘Arts’ nature. It is also possible to select courses that have no exact equivalent at Memorial and must be counted as unspecified credit.

Courses studied abroad may be approved as counting toward any of the Curriculum course requirements listed above, but no course may count towards meeting two such requirements.

MINOR FROM FACULTY OF ARTS

A student enrolled in the iBBA program may both meet the requirements of the degree and be able to complete a minor within the Faculty of Arts. Regulations for the minor are given under the Calendar entries for the Faculty of Arts.

CONTINUATION

1) The Faculty Council of the Faculty of Business Administration constitutes the examining body for all examinations in Business courses. In addition, the standing of every student will be assessed by the Committee on Undergraduate Studies in accordance with the continuation requirements outlined in paragraphs (2) and (3) below.

2) Following entry to the program, iBBA students must qualify for continuation after each term of study. For continuation, students must have an overall average of 65% over their last ten courses taken. In the event that a student has more courses than needed in the earliest term used, the courses with the highest grades in that term will be used.

Students who fail to achieve these standards will be required to withdraw from the program. They may be considered for readmission after a lapse of two semesters. In order to be considered for readmission, students must formally apply for readmission.

A required withdrawal for failure to meet continuation requirements in the iBBA program will be reflected on a student’s transcript.

3) Students who are required to withdraw from the program a second time are not eligible for readmission into their program.
Faculty of Business Administration (cont’d)

4) The Committee on Undergraduate Studies of the Faculty of Business Administration may allow a student to continue who fails to achieve the standards outlined in 2) above. A decision of this nature will be made only for reasons acceptable to the Committee on Undergraduate Studies.

REGULATIONS FOR THE HONOURS DEGREE OF INTERNATIONAL BACHELOR OF BUSINESS ADMINISTRATION

An Honours degree of Bachelor of International Business Administration signifies superior academic achievement.

1) To be considered for an Honours degree, the candidates must so indicate on the University’s official “Application for Degree” form.

2) Candidates for the Honours Degree of International Bachelor of Business Administration shall:
   a) comply with all regulations governing the General Degree of International Bachelor of Business Administration, and
   b) achieve at least a 75% numerical average and a grade point average of 3.5 on the 120 credit hours completed for the degree.

3) Candidates are not permitted to repeat or substitute courses for the purpose of meeting the academic standing specified in Clause 2.

4) A declared candidate for an Honours degree who fails to fulfil the conditions of Clause 2 but fulfils the requirements for a General degree shall be awarded the General Degree of International Bachelor of Business Administration.

Page 416, 2005-2006 Calendar, under the heading Course List, insert the following new courses:

“6311. International Human Resources Management. More and more Canadian companies are undertaking business activities and having to make management decisions overseas, within quite different business and cultural environments. This course develops the skills a business student must have in understanding the processes and practices of international human resource management (IHRM) for a successful managerial career. The course will equip students with a solid knowledge and understanding of human resource functions and practices that currently prevail in global/international business operations.
Prerequisites: Business 4320, Human Resource Management.

6040. International Business Law. Businesses that operate internationally are required to make management decisions overseas, within quite different business and legal environments. This course develops the skills a business student must have in understanding the laws and regulations that exist and relate to international business decision making. The course will equip students with a knowledge and understanding of laws and regulations that currently prevail in international business operations.
Prerequisite: Business 4000, Business Law I.

3701. Introduction to Global Information Systems. This course introduces the basics of information systems, including its organizational and technical foundations, and the process and techniques for modeling business processes and implementing them in modern software and hardware. Particularly, this course will discuss how information systems can support the various international business strategies, the issues that managers should address while developing international information systems, and the technical alternatives available for developing global information systems. The course will equip students with a solid knowledge and understanding of information systems that currently prevail in global/international business operations.
Prerequisite: Enrolment in the iBBA Program.
NOTE: Credit may not be obtained for both Business 3701 and Business 3700.”

Add the following note to Business 3700:

“NOTE: Credit may not be obtained for both Business 3700 and Business 3701.”

72.2 Clause 14.4.1 Information Required for Medical Certificates of General Academic Regulation 14 Appeal of Regulations

A memorandum dated 19 December 2005 was received from the Senate Committee on Undergraduate Studies noting that a review was conducted regarding the concerns of use, or possible abuse, of medical notes submitted by students. Subsequently, the Calendar Editor was requested to reference the Information Required for Medical Certificates in the Index of the Calendar. A memorandum was also sent to Deans, Directors and Department
Clause 14.4.1 Information Required for Medical Certificates of General Academic Regulation 14 Appeal of Regulations (cont’d)

Heads recommending that they encourage instructors to include in the method of evaluation for courses distributed at the beginning of each semester, an excerpt from the University Calendar quoting “Regulation 14.4.1 Information Required for Medical Certificates”. In order to facilitate the above actions, the Senate Committee on Undergraduate Studies is requesting a revision to General Regulation 14.4.1.

A detailed discussion, then took place involving several Senators who questioned:

- whether or not further consultation should have taken place with the Newfoundland and Labrador Medical Association.
- the feasibility of implementing a form for medical notes.
- other aspects of implementing this regulation.

Following discussion, the motion to approve the amended General Regulation 14.4.1 Information Required for Medical Certificates was moved by Professor Walsh, seconded by Mr. Sullivan and carried (incorporating a friendly amendment made on the floor of Senate).

Page 71, 2005-2006 Calendar, under the subheading 14.4 Information Required for Medical Certificates, delete Clause “14.4.1” in its entirety and replace with the following:

“Students who request permission to drop courses, to withdraw from University studies, to have examinations deferred or to obtain other waivers of University, departmental or course regulations based on medical grounds are required by the University to produce a note from a physician in support of their request. Such notes must be sufficiently specific to allow a proper consideration of the student’s case. The University requires that all medical notes must be on letterhead, must be signed by the physician, must confirm the specific dates on which the student visited the physician and should include details on the following:

• the degree to which the illness (or treatment, in the case of medication, for example) is likely to have affected the student’s ability to study, attend classes, or sit examinations.
• the length of time over which the student’s abilities were likely hampered by the medical condition (e.g., recurring and severe back pain over a two-month period would likely have a more adverse effect on studies than a single episode of back pain requiring bed rest for a week).
• the fitness of the student to resume studies (it is in the student’s best interest not to return to studies prematurely).”

72.3 Department of English

Page 146, 2005-2006 Calendar, immediately preceding the heading Diploma in English as a Second Language, insert the following new program:
“DIPLOMA IN CREATIVE WRITING

PROGRAM DESCRIPTION

Like the many other Creative Writing programs across the continent, the diploma aims to develop student’s skills in writing in a variety of genres conventionally described as “creative,” such as fiction, poetry, drama, and creative non-fiction. It will also offer students the opportunity to take, as options, courses that provide a background in contemporary literature in these genres.

The eight courses (24 credit hours) will comprise at least five and as many as eight creative writing courses in at least three and as many as four genres. The overall aim of the program is to help students produce work that merits publication. To this end, the focus of the creative writing courses will be on the composition, critiquing, and editing of the students’ own work, and, in both the creative writing and contemporary literature courses, on analyzing examples of excellent contemporary writing.

ADMISSION REQUIREMENTS

As has traditionally been the case, students will compete for admission to individual Creative Writing courses via the portfolio system. The Diploma will be earned by accretion.

PROGRAM OF STUDY

Students are required to complete a minimum of 24 credit hours of course work, including at least 15 credit hours from the following:

English 3900. Introduction to Creative Writing: Fiction
English 3901. Introduction to Creative Writing: Poetry
English 3902. Introduction to Creative Writing: Playwrighting
English 3903. Introduction to Creative Writing: Nonfiction
English 4910. Advanced Creative Writing: Fiction
English 4911. Advanced Creative Writing: Poetry
English 4912. Advanced Creative Writing: Playwrighting
English 4913. Advanced Creative Writing: Nonfiction

The remaining courses must be taken from:

(i) additional courses from the above list
(ii) one or more special topics courses in Creative Writing (English 4920-4930)
(iii) one or more of English 3100, 3155, 3156, 3158, 3160, 3161, 3171, 3172, 3173, 4080, 4270, 4302, 4822
(iv) one or more courses from the Diploma in Professional Writing”
Department of English (cont’d)

“DIPLOMA IN PROFESSIONAL WRITING

PROGRAM DESCRIPTION

In order to build on students’ previous engagement with disciplinary and inter-disciplinary studies in the Faculty of Arts, the diploma aims to reinforce and extend students’ ability to analyze non-fiction texts of various kinds: their contexts, audiences, purposes, assumptions, voices, and methods. In addition, students will themselves write often and in various genres. The six courses (18 credit hours) will include close analysis/evaluation of various genres; writing for a range of purposes and contexts; writing and gender; and editing. As this list suggests, the program aims to give students a broad understanding of the constructions/intersections of context, readership, motive, genre, gender that are in play in non-fiction writing, as well as to give practice with critiquing, composing and editing with these things in mind. The program aims to equip students so that they are valued as employees in the workplace

(a) because they write logically, clearly and economically, and
(b) because they can clarify, articulate and, as they see fit, interrogate the aims, values or methods of documents on which they are working.

The practicum (6 credit hours) will be served in professional situations where writing is a staple: organizations, businesses, government, the media.

ADMISSION REQUIREMENTS

Admission to the program is limited. Applicants with a BA in hand and senior undergraduates in the Faculty of Arts will be preferred. Applicants must demonstrate proficiency in writing by means of a portfolio submitted with the application. This may be a collection of work completed in English 2010, 2700, 3817, 3900, 3901, or another intensive writing course above the first-year level; or it may be a collection of work published in a student newspaper or carried out for a community organization. The portfolio must be accompanied by a statement from a professor or other competent authority attesting that the contents are the student’s own work.

PROGRAM OF STUDY

Students are required to complete a minimum of 24 credit hours of course work, including:

English 2020. Comprehension, Writing and Prose Style II
English 3910. Investigative Writing
English 3920. Reviewing
English 3817. Writing and Gender II
English 4914. Advanced Editing
English 5200. Instructional Field Placement in Professional Writing (6 cr. hrs.)

“3902. Introduction to Creative Writing: Playwrighting. The course is conducted as a seminar using models of contemporary dramatic writing and the students’ own work. Each student will be required to submit work regularly.
Prerequisites: The regular prerequisites for 3000-level offerings, plus submission of a portfolio specified by the instructor and permission of the instructor.
NOTE: Students can receive credit for only one of English 3902 and the former English 3842.

3903. Introduction to Creative Writing: Nonfiction. The course is conducted as a seminar using models of contemporary writing and the students’ own work. Each student will be required to submit work regularly.
Prerequisites: The regular prerequisites for 3000-level offerings, plus the submission of a portfolio specified by the instructor and permission of the instructor.

3910. Investigative Writing. Students learn to draft and edit short investigative pieces; and they complete an article or essay, and an investigative project that attends to ethics guidelines, research, documentation, interviewing protocols, and writing and editing for a specific context. The course is conducted as a seminar using the students’ own work. Each student will be required to submit work regularly. Some work may be done collaboratively.
Prerequisites/Co-requisites: Normally, admission to this course will be based on the instructor’s evaluation of the student’s writing. Class size will be limited.

3920. Reviewing. Students analyze and practice reviewing of three kinds: (a) performance; (b) film, TV video; (c) books.
Prerequisites/Co-requisites: Normally, admission to this course will be based on the instructor’s evaluation of the student’s writing. Class size will be limited.
Department of English (cont’d)

4912. Advanced Creative Writing: Playwriting. The course is conducted as a seminar using models of contemporary writing and the students’ own work. Each student will be required to submit work regularly. Prerequisites: Successful completion of at least one Creative Writing course at the 3000-level, plus a portfolio specified by the instructor and permission of the instructor.

4913. Advanced Creative Writing: Nonfiction. The course is conducted as a seminar using models of contemporary writing and the students’ own work. Each student will be required to submit work regularly. Prerequisites: Successful completion of at least one Creative Writing course at the 3000-level, plus submission of a portfolio specified by the instructor and permission of the instructor.

4914: Advanced Editing. Editing for the workplace: An intensive course in drafting and editing. Students will be expected to work both individually and collaboratively. Prerequisites/Co-requisite: Normally, admission to this course will be based on the instructor’s evaluation of the student’s writing. Class size will be limited.

4920-30: Special Topics in Creative Writing.

5200. Instructional Field Placement in Professional Writing. (6 cr.hrs.) Upon completion of the courses in the Diploma in Professional Writing (18 credit hours), students will be placed in work-place environments where they will contribute under supervision to the planning, drafting and editing of documents. Prerequisites: Completion of the six courses in the program, with an overall average of 65% in these courses.”

73. REPORT OF THE ACADEMIC COUNCIL OF THE SCHOOL OF GRADUATE STUDIES

73.1 General Regulation J Governing the School of Graduate Studies

Senate considered a memorandum dated January 19, 2006 from the Academic Council of the School of Graduate Studies regarding General Regulation J Governing the School of Graduate Studies. During discussion of the proposed amendment to this regulation, several Senators questioned:

- whether or not a hard copy of the thesis / report guide would be available as a permanent reference for students.
- the planned effective date of implementation for the proposed regulation.
- the relevance of pages 88-89 of the document submitted by the Academic Council of the School of Graduate Studies.

As a result, it was agreed to refer the proposed amendment back to the Academic Council of the School of Graduate Studies for further consideration with a view to reporting back to Senate at the March 14, 2006 meeting. It was also agreed that if the proposed amendment is approved at the March 14, 2006 meeting, the change will be included in the 2006-07 University Calendar.
74. REPORT OF THE SENATE COMMITTEE ON COMMITTEES

74.1 Revisions to the Terms of Reference of Standing Committees of Senate

At a meeting held on May 11, 2004, Senate considered the final report of the ad hoc Committee on Senate and approved the following recommendation:

“(i) request that the Committee on Committees re-examine committees of Senate in order to determine:

(a) whether all of its present committees are necessary
(b) whether the terms of reference of all or some of its committees should be revised.”

At a meeting held on September 8, 2004, the Committee on Committees endorsed that recommendation and subsequently, requested each Senate Committee to conduct a review of its membership and terms of reference.

As a result of this review, the Committee on Committees recommended changes to membership and/or terms of reference for various Senate Committees and reported that additional committees would be reporting at a later date. In this regard, Dr. Clark indicated that the Committee on Committees concurs with the Senate Committee on Admissions which is recommending the following revisions to its membership and terms of reference (Note: use of the underscore indicates new text and the strikeout indicates current text that is to be eliminated):

A. Senate Committee on Admissions

1. Membership:
   (a) Registrar or delegate (this would include a member from the Academic Advising Centre)
   (b) Assistant Registrar (Admissions)
   (c) Senior Academic Advisor from the Faculty of Arts*
   (d) Senior Academic Advisor from the Faculty of Science*
   (e) Representative from the Blundon (Glenn Roy) Centre
   (f) Representative from the Counselling Centre
   (g) Representative from MUNSU

   *one of the Senior Academic Advisors should hold an academic appointment

   (a) Registrar
   (b) Admissions Officer
   (e) two Senior Academic Advisors, at least one of whom should hold an Academic Appointment.

2. Terms of Reference
   (a) The University Committee on Admissions shall review applications for admission from undergraduate applicants not meeting the General Admission Requirements and where there are clear extenuating circumstances.”
Report of the Senate Committee on Committees (cont’d)

The motion to approve these changes, which was moved by Dr. Clark and seconded by Mr. Collins, was carried.

B. Senate Committee on Research

It was agreed to defer further consideration of this item until the next meeting of Senate pending receipt of information on the existing membership and terms of reference for the Committee.

74.2 Memorial University of Newfoundland Students’ Union Representation on the ad hoc Committee to Develop a Code of Academic Integrity and the Senate Committee on the University Calendar

It was moved by Dr. Clark, seconded by Mr. Collins that the following nominations from the Memorial University of Newfoundland Students’ Union for representation on Senate Committees be approved:

Senate ad hoc Committee on Academic Integrity
Katherine Giroux-Bougard

Senate Committee on the University Calendar
Kimberly Byrne

74.3 Membership and Terms of Reference for the Senate ad hoc Committee to Review Undergraduate Appeals Procedures

At a meeting held on December 13, 2005, Senate agreed to request the Senate Committee on Committees to draft terms of reference and recommend membership for an ad hoc Committee of Senate to Review Undergraduate Appeals Procedures.

It was moved by Dr. Clark, seconded by Mr. Collins and carried that the membership and terms of reference for the Senate ad hoc Committee to Review Undergraduate Appeals Procedures be approved as follows:

“Terms of Reference

While the decision to create this ad hoc Committee was triggered by the Final Report of the Senate ad hoc committee to Consider an Appeal by Student ECS 2004-05: #9, the Committee’s mandate is much broader and is meant to be wide ranging with respect to undergraduate appeals procedures. As a result, the ad hoc Committee shall conduct a thorough and comprehensive review of undergraduate student appeals procedures and prepare a report for Senate with recommendations for potential change to regulations “13 Waiver of Regulations” and “14 Appeal of Regulations” as printed on Page 70 of the University Calendar. Background information will be provided to members of the ad hoc Committee.
Report of the Senate Committee on Committees (cont’d)

The ad hoc Committee will present a report to Senate in the Fall 2006.

Membership

(a) An appropriate number of academic staff members: Dr. Chris Flinn, Department of Chemistry, Professor Donna Walsh, Department of English

(b) One undergraduate student to be recommended by MUNSU

(c) Ms. Marie Donovan, Coordinator of Academic Advising, Faculty of Arts

(d) University Registrar or delegate”
