Dr. Meisen reminded Senators that at a special meeting of Senate held on January 23, 2007, quorum was not achieved and hence it was agreed to hold this special meeting to formally approve the Strategic Plan for presentation to the Board of Regents.

It was then moved by Dr. Adamec and seconded by Dr. Schipper and carried by a majority vote that Senate confirm the motion presented at the special meeting of Senate held on January 23, 2007 which reads as follows:

“It was moved that Senate confirm the documentation presented at today’s meeting as the latest Strategic Plan for Memorial University of Newfoundland for presentation to and approval by the Board of Regents. Recognizing that the documentation remains dynamic particularly during this approval process, Senate agrees to give the Vice-President (Academic) authority to make editorial changes that are in keeping with the intent and spirit of the documentation confirmed today. However, if either the Board of Regents or the Government of Newfoundland and Labrador propose substantive changes to the Strategic Plan, Senate requires that the amended documentation be returned to Senate for further consideration.”
