

Guidelines for Leaves

The regulations governing leaves of absence reflect the following principles:

A leave of absence is normally permitted only when circumstances prevent a student from making progress on any of his/her graduate program requirements; work toward such ends is not permissible during the leave.

- (a) Normally a maximum of 1 leave
- (b) Duration of leave normally to be a maximum of 12 months
- (c) That leave only be granted for the following reasons:

Academic Reasons

- i) Advisor/Supervisor absent from university
- ii) Required course(s) not offered
- iii) Equipment failure/repair

Family Reasons

- i) Pregnancy / birth / adoption of a child
- ii) Unusual or exceptional family care responsibilities

Employment Reasons

Relocation period resulting from transfer of employment to different location

Medical Reasons

Medical certification of inability to pursue studies for the duration of the requested leave

Financial Reasons

Change in material circumstances

- (d) Applications for leave should normally be made before the end of the registration period in the first semester for which a leave is requested. **Requests received after the end of the regular registration period are considered retroactive requests. In such cases, if a student's request is approved they would be charged a \$25.00 administration fee. The academic fee(s) subsequent to this date would be reversed but the student would be responsible for all ancillary fees charged.**
- (e) Applications for leave will be considered, and may be granted, by the Dean. A semester-by-semester summary of leaves granted will be forwarded to Academic Council for information. Denied leaves will be appealed through normal channels.
- (f) International students on leave are eligible to stay in Canada for maximum 150 days but are not eligible to work on or off campus. If your leave is longer than 150 days then you will need to apply for a visitor status or leave Canada prior to 150 days. If you follow these regulations, then you will be considered in compliance with the immigration regulations. If you are on medical leave, please ensure you have necessary medical notes for your own record. If you require further clarification, please consult with the Internationalization Office at international@mun.ca.

Note 1: Requests for leaves for reasons other than the above should be submitted to the Executive Committee of the Academic Council, School of Graduate Studies.

Note 2: If you are currently receiving financial support, we cannot guarantee that this support will be available when you return from your leave of absence. (You should clarify this with your supervisor before you submit a request for leave.)

Note 3: Students are advised that no progress may be made in the graduate program while on a leave of absence.
