

PUBLIC SERVICE ANNOUNCEMENT

ST. JOHN'S -

Backyard Compost Program

The City of St. John's, in partnership with MUN Botanical Garden and MMSB, are offering subsidized backyard compost bins and information sessions to residents of St. John's.

The next information session will be held on November 9, 2014, 12 - 1 pm

To register, please visit: <http://www.curbitstjohns.ca/>

All information sessions will be led by MUN Botanical Garden education staff and will be held at the Botanical Garden. In order to attend the sessions and to purchase a compost bin, pre-registration with the City of St. John's is required.

For more information, please contact the Garden at 864-8590 or visit www.mun.ca/botgarden.
