

TODOLIST

■ SET UP MY.MUN LOGIN

MUN login is your gateway to access Memorial's online services like email, Self-Service, Brightspace (Memorial University's learning management system) and more. Make sure to set up your MUN login as soon as possible and be sure to check your [@mun email](#) on a regular basis.

■ STUDENT HOUSING

If you have not already applied for student housing and you hope to live on campus, you should [apply for housing](#) as soon as possible. For further information, contact gchousing@mun.ca.

■ FALL COURSE OFFERINGS

Course offerings for the fall semester will be available to view on Memorial Self Service mid to late June. Please [review the course offerings](#) and [contact your advisor](#) if there are any concerns.

■ COURSE REGISTRATION

Be sure to [learn how to register](#) for courses. Registration for fall courses takes place in July. Students are assigned a specific registration time, and it is important to register as close to your assigned time as possible. Your registration time will be emailed to you at your [@mun email address](#).

■ MATH PLACEMENT TEST (MPT)

The [MPT](#) will be administered in June and September. Any student wishing to do Math 1090

or 1000 will be required to write the MPT.

Registration for the June offering of the MPT will be available March 1-April 30. Students who are unable to write the MPT in June will need to register for the September offering of the MPT when you register for your courses in July. Please note that calculators are not permitted during the MPT.

■ CALCULUS PLACEMENT TEST (CPT)

NL students who are completing Math 3208 (Calculus) in high school may wish to write the [CPT](#). Registration for the June offering of the CPT will be available March 1-April 30. Students who are unable to write the CPT in June will need to register for the September offering when you register for courses in July.

■ SCIENCE 1807 & 1808

Laboratory science courses and some Fine Arts courses may require [Science 1807](#) (Safety in Science Laboratory) and [Science 1808](#) (WHMIS), online safety training courses, as prerequisites. You must register for these courses before you can register for your lab science or Fine Arts course(s). These online non-credit courses must be successfully completed by the end of the first two weeks of September and can be accessed through [Brightspace](#). Any questions can be directed to labsafety@mun.ca.

■ NON-CREDIT COURSES

[Integrity 1000](#) (INTG 1000) and [Sexual Violence Awareness and Prevention](#) (SVM 0204) are required online non-credit courses that must be completed by all new undergraduate students. You will automatically be registered for these courses. Both courses will be available in your list of courses in Brightspace. You must pass these courses before you can register for the next semester.

■ YOUR GRENFELL EXPERIENCE

This is an online orientation and transition program to help new students adjust to university and prepare you for academic success. You will automatically be enrolled in this course, and you will find it on your [Brightspace](#). Students can work through this course from July- August.

■ ACADEMIC BRIDGING

Students graduating from high school with a final admission average between 65 and 69.9% may be eligible to participate in a new [Academic Bridging Program](#) that is comprised of multiple components, including participating in Academic Prep Week. Successful participation in this program will result in admission to Memorial University. For further information, contact gacademicadvising@mun.ca.

■ ACADEMIC PREP WEEK

All students are invited to attend [our university preparation week](#) from August 26-30. It will be a full week of getting ready for a successful start to your first year of university. Be sure to discuss this with your advisor. For additional details, contact gcastudentservices@mun.ca.

■ ACCESSIBILITY CENTRE AND EDUCATIONAL SUPPORT (ACES)

Students who are looking to setup [academic accommodations](#) can contact gcases@mun.ca with inquiries and to start the intake process.

■ WELCOME EVENTS

A variety of [on-campus orientation events](#) will be planned starting in late August and into September. Further information on Fall orientation will be released on Grenfell's social media pages throughout the summer.

■ GET ADVICE

If you have any questions about your course selection or registration, please contact Academic Advising by phone at 709-637-6298 or email at gacademicadvising@mun.ca.
