

# Graded Algebras and Superalgebras

## *Second announcement*

International Workshop at Atlantic Algebra Centre  
<http://www.math.mun.ca/~aac>

August 29 - September 2, 2008

This is the second announcement about the International Workshop “Graded Algebras and Superalgebras” to be held at Memorial University of Newfoundland John’s, NL, Canada, on the dates August 29 - September 2, 2008. The workshop is organized by Atlantic Algebra Centre (AAC). At this time we would like to announce some additional data about the workshop.

- **Program of the workshop.** On the dates August 29, 30, September 1, 2 we plan 10-12 one-hour lectures. The remaining time will be devoted to shorter 20 minutes talks and discussions. For the day of Sunday, August 31, we plan free discussions and the tours of St. John’s and neighborhood.
- **Our speakers.** The tentative list of speakers includes the following Professors:
  1. Georgia Benkart (University of Wisconsin - Madison, USA)
  2. Yuly Billig (Carleton University, Canada)
  3. Vesselin Drensky (Bulgarian Academy of Sciences)
  4. Alberto Elduque (University of Zaragoza, Spain)
  5. Dimitry Leites (University of Stockholm, Sweden)
  6. Consuelo Martinez (University of Oviedo, Spain)
  7. Don Passman (University of Wisconsin - Madison, USA)
  8. Ivan Shestakov (University of Sao Paulo, Brazil)
- **Registration/housing.** Please confirm your intent to come before June 1, 2008 to our email address [aac@mun.ca](mailto:aac@mun.ca). We would appreciate receiving the title of your talk and a short abstract (no longer than 1 page). We will help you with your accommodation, which is mainly of a Bed & Breakfast type. Please write if you want to stay in a regular hotel. There will be a registration fee of \$50 charged upon arrival.
- **Support.** We will gladly support the graduate students and postdoctoral fellows from the universities of Atlantic Canada, recommended by their supervisors.
