## Memorial University of Newfoundland
### Department of Biology

#### Per Course Instructors
The Department of Biology invites applications from individuals interested in teaching the following Biology 1001 (Principles of Biology), Biology 1002 (Principles of Biology), and Biology 4912 (Biology of Marine Mammals) courses in the Spring/Intersession/Summer 2020 Semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Biology regulations and the Memorial University Calendar.
