

Department of Biology  
Memorial University of Newfoundland  
TEACHING TERM APPOINTMENTS  
Fall 2021/Winter 2022

Subject to budgetary approval, the Department of Biology is recruiting teaching term appointments for the Fall 2021 and Winter 2022 semesters. Teaching requirements include both first year and senior level Biology courses. Courses include, but are not limited to; Biology 1001 (Principles of Biology), Biology 1002 (Principles of Biology), Biology 2040 (Modern Biology and Human Society I), Biology 2041 (Modern Biology and Human Society II), Biology 2120 (Biology for Students of Earth Sciences ), Biology 2210 (Biology of Vertebrates ), Biology 2900 (Principles of Evolution and Systematics), Biology 3050 (Introduction to Microbiology) Biology 3053 (Microbiology for Nurses) Biology 3610 (Boreal Ecology), Biology 3710 (Biological Oceanography) and Biology 3711 (Principles of Marine Biology).

Appointments will be made on a one or two semester basis and will not entail any obligation to conduct research, or perform any administrative service for Memorial University. Applicants should have a Ph.D. or equivalent, and all applicants should submit a curriculum vitae to:

Dr. Tom Chapman  
Head, Department of Biology  
Memorial University of Newfoundland  
St. John's, Newfoundland, CANADA  
A1B 3X9  
Email: [chussey@mun.ca](mailto:chussey@mun.ca)

The closing date for receipt of applications is 5:00 p.m. on June 11, 2021.

All qualified candidates are encouraged to apply; however, preference will be given to applicants who are legally entitled to work in Canada. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women, people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities and racialized people; and people with disabilities.

The personal information requested in your application is collected under the authority of the Memorial University Act (RSNL 1990 c M-7) for the purpose of identifying and recruiting
