TEACHING TERM APPOINTMENTS
Fall 2023/Winter 2024

Subject to budgetary approval, the Department of Biology is recruiting a teaching term appointment for the Fall 2023 and Winter 2024 semesters. Teaching requirements include both first year and senior level Biology courses. Courses include, but are not limited to Biology 1001 (Principles of Biology), Biology 1002 (Principles of Biology), Biology 2040 (Modern Biology and Human Society I), Biology 2041 (Modern Biology and Human Society II), Biology 2900 (Principles of Evolution and Systematics).

Appointments will be made on a one or two semester basis and will not entail any obligation to conduct research, or perform any administrative service for Memorial University. Applicants should have a Ph.D. or equivalent, and all applicants should submit a curriculum vitae to:

Dr. Andrew Lang
Head, Department of Biology
Memorial University of Newfoundland
St. John’s, Newfoundland, CANADA
A1C 5S7
Email: bioheadsec@mun.ca

The closing date for receipt of applications is 5:00 p.m. on 2 June 2023.

All qualified candidates are encouraged to apply; however, preference will be given to applicants who are legally entitled to work in Canada. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women, people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities and racialized people; and people with disabilities.

The personal information requested in your application is collected under the authority of the Memorial University Act (RSNL 1990 c M-7) for the purpose of identifying and recruiting
