

BIOLOGY GRADUATE PROGRAM
Recommendations for Ph.D. Comprehensive Examination Committee Members

The Comprehensive Examination Committee (EC) comprises the Deputy Head (Graduate Studies) or delegate, the Supervisor, and three other members (at least one of which should be from outside the Supervisory Committee). Members of the EC may be Biology faculty, faculty in other academic departments at MUN, or qualified persons outside the University. The Dean of Graduate Studies (or delegate) can attend at the student's or EC's request and would be present as a non-voting member.
