<sup>1</sup> Restriction (b) will be granted on application, without reason given. However, applications for restriction (c) must be accompanied with a detailed explanation, indicating why the restriction is thought to be necessary, and justifying the length of time requested. Restrictions required on the grounds that patents are awaited and will not normally be permitted to exceed one year. Restriction (c) can be permitted only by the School of Graduate Studies Academic Council Executive Committee and will be granted only in exceptional cases, normally for a maximum of three years.

<sup>2</sup> Thesis/report authors are reminded that, if they have been engaged in contractual research, they may have already agreed to restrict access to their thesis/report until the terms of the contract have been fulfilled.
